

I am one of the forgotten ones. Born December 14, 1965, I am part of the ONLY group of adoptees in Connecticut who, by law, is not entitled to my birth certificate. This document should not be in anyone else's hands but mine. This system of secrets and lies is antiquated and must end NOW! Please, please, please vote in favor of granting ALL adoptees the right that everyone else in the state of Connecticut has but us. Please don't leave us out again. Every year my heart breaks when a bill such as this fails to pass that I am not entitled to what is rightfully mine. I had NO choice in being adopted. it was a different time, and back then, perhaps it was appropriate. That time has LONG past and I implore you to help make things right for all of us! Thank you for your consideration in this EXTREMELY important matter.

Sincerely,

Kathleen Yourwith McHugh
