

To whom it may concern,

I am writing to ask for your support of Senate Bill 972, An Act Concerning Access to Original Birth Certificates by Adult Adoptive Persons. I was adopted prior to 1983 and I know next to nothing about my biological parents due to the lack of access to my original birth certificate here in Connecticut. I have no family medical history with which to protect my health, or my children's health. The only information I possess is the amended and false birth certificate created at the time of my adoption. I strongly believe that ALL adult adoptees should have access to their original birth certificates.

Thank you very much for your consideration.

Sincerely,

Bill Wilkes
