

Please Vote NO on SB 11, SB 17, SB 665, and HB 7055.

The citizens of CT will not overall benefit from any expansion of gambling in CT.

If East Windsor Casino were to exist it only redistribute what is brought in from existing CT Casinos.

No Bridgeport Casino. Will create more crime, poverty, drugs use.

Do not need / want study commission.

No to sports wagering in CT. Will hurt many people , who will least be able to afford the loss.

Please VOTE NO on all 4 Bills to Save CT and Save People from the Vice of believing they will beat the house!

Thank you.
