## ADDENDUM

To Fiscal Note on  
sHB-6096, File No. 396

### AN ACT LIMITING CHANGES TO PRESCRIPTION DRUG FORMULARIES AND LISTS OF COVERED DRUGS.

---

The fiscal note on sHB 6096 reflected a cost to the state in FY 20 of \$3.7 million and \$7.4 million in FY 21. Based on additional information on the prescription drug formularies for the state employee and retiree health plan, it is anticipated that current processes related to new to market block prescriptions will not be impacted by the bill. This results in a reduction in the fiscal impact of approximately \$2 million in FY 20 and \$4.1 million in FY21. The revised fiscal impact to the state employee and retiree health plan is approximately \$1.7 million in FY 20 and \$3.3 million in FY 21.
