AN ACT CONCERNING THE STORAGE OF A PISTOL OR  
REVOLVER IN A MOTOR VEHICLE.

---

The bill results in a cost to various state agencies who issue a firearm to an employee for purchase of a locked safe for each officer issued a firearm. On average, the cost per safe is approximately \$50-\$100. For illustrative purposes, the bill results in a cost of \$50,000 - \$100,000 for the Department of Emergency Services and Public Protections. Costs to other state agencies vary dependent on the number of employees issued a firearm.

To the extent that provisions of this bill apply to municipal police officers, this bill results in a cost to municipalities, which by definition is a state mandate.
