ADDENDUM

To Fiscal Note on
SB-15, File No. 304

AN ACT REQUIRING HEALTH INSURANCE COVERAGE FOR
MOTORIZED WHEELCHAIRS.

The original fiscal note reflected a potential cost to the state pursuant to the federal Affordable Care Act (ACA). Based on additional information from the Insurance Department, the provisions of the bill will constitute a new mandated pursuant to the ACA and therefore there **will be a cost** to the state for those members in exchange plans. Based on the expenditures of the state employees and retiree health plan, and accounting for the demographics in the exchange plans the bill will result in an annual cost of at least \$250,000.
