OFA Fiscal Note

State Impact:

Agency Affected	Fund-Effect	FY 20 \$	FY 21 \$
Resources of the General Fund	GF - Prevents Revenue Loss	None	12 million to 13 million

Note: GF=General Fund

Municipal Impact: None

Explanation

The fiscal note on LCO 9364 reflected that the amendment did not have a fiscal impact. The fiscal note should have noted that, while the amendment does primarily codify current practice, it also makes changes to child abuse and neglect registry check statutes that are necessary for the Department of Children and Families to obtain federal Family First Prevention and Services Act (FFPSA) reimbursement. In the first, partial fiscal year of implementation, FY

21, the amendment prevents the loss of an estimated \$12 to \$13 million in General Fund revenue from FFPSA reimbursements.

The Out Years

By its second fiscal year, FY 22, and in the subsequent out years, FFPSA revenue is anticipated to be approximately \$25 million annually.
