CORRECTION

To Fiscal Note on
sSB-957, File No. 595

AN ACT CONCERNING THE INCLUSION OF COMPUTER SCIENCE INSTRUCTION IN THE PUBLIC SCHOOL CURRICULUM, PROGRAMS OF TEACHER PREPARATION AND ALTERNATE ROUTE TO CERTIFICATION PROGRAMS AND THE CREATION OF AN ADJUNCT COMPUTER SCIENCE INSTRUCTOR PERMIT AND A COMPUTER SCIENCE ENDORSEMENT.

The original fiscal note on the bill did not correctly apply the fringe rate for the additional constituent unit personnel needed to teach a new teacher preparation program course involving programming and coding, for Section 2 of the bill. The correct calculations result in: (1) a cost to the Board of Regents anticipated to range from \$259,500 to \$519,000 annually beginning in FY 20, and (2) a cost to the University of Connecticut that could range from approximately \$61,500 to \$200,000 annually beginning in FY 20.
