AN ACT CONCERNING MUNICIPAL SEPARATE STORM SEWER SYSTEMS PERMITTING REQUIREMENTS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

That the general statutes be amended to require a study of statutes and regulations governing water sampling requirements pursuant to Municipal Separate Storm Sewer Systems permitting to determine whether changes to such statutes and regulations are necessary to reduce the burden on municipal permittees while maintaining environmental safety.

Statement of Purpose:
To study statutes and regulations governing Municipal Separate Storm Sewer Systems permitting.
