following is substituted in lieu thereof (Effective October 1, 2019):

(a) The Department of [Rehabilitation] Aging and Disability
Services shall provide rehabilitation programs for employees with
compensable injuries within the provisions of this chapter, which
injuries prevented such employees from performing their customary
or most recent work. The Commissioner of [Rehabilitation] Aging and
Disability Services shall establish rehabilitation programs which shall
best suit the needs of such employees and shall make the programs
available in convenient locations throughout the state. After
consultation with the Labor Commissioner, the Commissioner of
[Rehabilitation] Aging and Disability Services may establish fees for
the programs, so as to provide the most effective rehabilitation
programs at a minimum rate. In order to carry out the provisions of
this section, the Commissioner of [Rehabilitation] Aging and Disability
Services shall adopt regulations, in accordance with the provisions of
chapter 54, and, subject to the provisions of chapter 67, provide for the
employment of necessary assistants.

(b) The Commissioner of [Rehabilitation] Aging and Disability
Services shall be authorized to (1) enter into agreements with other
state or federal agencies to carry out the purposes of this section and
expend money for that purpose, and (2) on behalf of the state of
Connecticut, develop matching programs or activities to secure federal
grants or funds for the purposes of this section and may pledge or use
funds supplied from the administrative costs fund, as provided in
section 31-345, as amended by this act, to finance the state's share of
the programs or activities.

Sec. 85. Subsection (a) of section 31-296 of the general statutes is
repealed and the following is substituted in lieu thereof (Effective October 1, 2019):

(a) If an employer and an injured employee, or in case of fatal injury the employee's legal representative or dependent, at a date not earlier than the expiration of the waiting period, reach an agreement in regard to compensation, such agreement shall be submitted in writing to the commissioner by the employer with a statement of the time, place and nature of the injury upon which it is based; and, if such commissioner finds such agreement to conform to the provisions of this chapter in every regard, the commissioner shall so approve it. A copy of the agreement, with a statement of the commissioner's approval, shall be delivered to each of the parties and thereafter it shall be as binding upon both parties as an award by the commissioner. The commissioner's statement of approval shall also inform the employee or the employee's dependent, as the case may be, of any rights the individual may have to an annual cost-of-living adjustment or to participate in a rehabilitation program administered by the Department of [Rehabilitation] Aging and Disability Services under the provisions of this chapter. The commissioner shall retain the original agreement, with the commissioner's approval thereof, in the commissioner's office and, if an application is made to the superior court for an execution, the commissioner shall, upon the request of said court, file in the court a certified copy of the agreement and statement of approval.

Sec. 86. Section 31-300 of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2019):

As soon as may be after the conclusion of any hearing, but no later than one hundred twenty days after such conclusion, the commissioner shall send to each party a written copy of the commissioner's findings and award. The commissioner shall, as part of the written award, inform the employee or the employee's dependent, as the case may be, of any rights the individual may have to an annual
cost-of-living adjustment or to participate in a rehabilitation program
administered by the Department of [Rehabilitation] Aging and
Disability Services under the provisions of this chapter. The
commissioner shall retain the original findings and award in said
commissioner's office. If no appeal from the decision is taken by either
party within twenty days thereafter, such award shall be final and may
be enforced in the same manner as a judgment of the Superior Court.
The court may issue execution upon any uncontested or final award of
a commissioner in the same manner as in cases of judgments rendered
in the Superior Court; and, upon the filing of an application to the
court for an execution, the commissioner in whose office the award is
on file shall, upon the request of the clerk of said court, send to the
clerk a certified copy of such findings and award. In cases where,
through the fault or neglect of the employer or insurer, adjustments of
compensation have been unduly delayed, or where through such fault
or neglect, payments have been unduly delayed, the commissioner
may include in the award interest at the rate prescribed in section 37-
3a and a reasonable attorney's fee in the case of undue delay in
adjustments of compensation and may include in the award in the case
of undue delay in payments of compensation, interest at twelve per
cent per annum and a reasonable attorney's fee. Payments not
commenced within thirty-five days after the filing of a written notice of
claim shall be presumed to be unduly delayed unless a notice to
contest the claim is filed in accordance with section 31-297. In cases
where there has been delay in either adjustment or payment, which
delay has not been due to the fault or neglect of the employer or
insurer, whether such delay was caused by appeals or otherwise, the
commissioner may allow interest at such rate, not to exceed the rate
prescribed in section 37-3a, as may be fair and reasonable, taking into
account whatever advantage the employer or insurer, as the case may
be, may have had from the use of the money, the burden of showing
that the rate in such case should be less than the rate prescribed in
section 37-3a to be upon the employer or insurer. In cases where the
claimant prevails and the commissioner finds that the employer or
insurer has unreasonably contested liability, the commissioner may allow to the claimant a reasonable attorney's fee. No employer or insurer shall discontinue or reduce payment on account of total or partial incapacity under any such award, if it is claimed by or on behalf of the injured person that such person's incapacity still continues, unless such employer or insurer notifies the commissioner and the employee of such proposed discontinuance or reduction in the manner prescribed in section 31-296, as amended by this act, and the commissioner specifically approves such discontinuance or reduction in writing. The commissioner shall render the decision within fourteen days of receipt of such notice and shall forward to all parties to the claim a copy of the decision not later than seven days after the decision has been rendered. If the decision of the commissioner finds for the employer or insurer, the injured person shall return any wrongful payments received from the day designated by the commissioner as the effective date for the discontinuance or reduction of benefits. Any employee whose benefits for total incapacity are discontinued under the provisions of this section and who is entitled to receive benefits for partial incapacity as a result of an award, shall receive those benefits commencing the day following the designated effective date for the discontinuance of benefits for total incapacity. In any case where the commissioner finds that the employer or insurer has discontinued or reduced any such payment without having given such notice and without the commissioner having approved such discontinuance or reduction in writing, the commissioner shall allow the claimant a reasonable attorney's fee together with interest at the rate prescribed in section 37-3a on the discontinued or reduced payments.

Sec. 87. Subdivision (2) of subsection (b) of section 31-345 of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2019):

(2) The chairman of the Workers' Compensation Commission shall annually, on or after July first of each fiscal year, determine an amount sufficient in the chairman's judgment to meet the expenses incurred by
the Workers' Compensation Commission and the Department of 
[Rehabilitation] Aging and Disability Services in providing 
rehabilitation services for employees suffering compensable injuries in 
accordance with section 31-283a, as amended by this act. Such 
expenses shall include (A) the costs of the Division of Workers' 
Rehabilitation and the programs established by its director, for fiscal 
years prior to the fiscal year beginning July 1, 2011, (B) the costs of the 
Division of Worker Education and the programs established by its 
director, and (C) funding for the occupational health clinic program 
created pursuant to sections 31-396 to 31-402, inclusive. The Treasurer 
shall thereupon assess upon and collect from each employer, other 
than the state and any municipality participating for purposes of its 
liability under this chapter as a member in an interlocal risk 
management agency pursuant to chapter 113a, the proportion of such 
expenses, based on the immediately preceding fiscal year, that the total 
compensation and payment for hospital, medical and nursing care 
made by such self-insured employer or private insurance carrier acting 
on behalf of any such employer bore to the total compensation and 
payments for the immediately preceding fiscal year for hospital, 
medical and nursing care made by such insurance carriers and 
self-insurers. For the fiscal years ending June 30, 2000, and June 30, 
2001, such assessments shall not exceed five per cent of such total 
compensation and payments made by such insurance carriers and self-
insurers. For the fiscal years ending June 30, 2002, and June 30, 2003, 
such assessments shall not exceed four and one-half per cent of such 
total compensation and payments made by such insurance carriers and 
self-insurers. For any fiscal year ending on or after June 30, 2004, such 
assessment shall not exceed four per cent of such total compensation 
and payments made by such insurance carriers and self-insurers. Such 
assessments and expenses shall not exceed the budget estimates 
submitted in accordance with subsection (c) of section 31-280. For each 
fiscal year, such assessment shall be reduced pro rata by the amount of 
any surplus from the assessments of prior fiscal years. Said surplus 
shall be determined in accordance with subdivision (3) of this
subsection. Such assessments shall be made in one annual assessment upon receipt of the chairman's expense determination by the Treasurer. All assessments shall be paid not later than sixty days following the date of the assessment by the Treasurer. Any employer who fails to pay such assessment to the Treasurer within the time prescribed by this subdivision shall pay interest to the Treasurer on the assessment at the rate of eight per cent per annum from the date the assessment is due until the date of payment. All assessments received by the Treasurer pursuant to this subdivision to meet the expenses of the Workers' Compensation Commission shall be deposited in the Workers' Compensation Administration Fund established under section 31-344a. All assessments received by the Treasurer pursuant to this subdivision to meet the expenses incurred by the Department of [Rehabilitation] Aging and Disability Services in providing rehabilitation services for employees suffering compensable injuries in accordance with section 31-283a, as amended by this act, shall be deposited in the Workers' Compensation Administration Fund. The Treasurer is hereby authorized to make credits or rebates for overpayments made under this subsection by any employer for any fiscal year.

Sec. 88. Subsection (a) of section 31-349b of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2019):

(a) Any employee who has suffered a compensable injury under the provisions of this chapter, and who is receiving benefits for such injury from the Second Injury Fund pursuant to the provisions of section 31-349, may file a written request with the commissioner in the district where the original claim was filed for a hearing to determine whether the employee's injury constitutes a permanent vocational disability. The hearing shall be held within sixty days of the date the request was filed. Upon the request of the commissioner and prior to the conclusion of such hearing, the Commissioner of [Rehabilitation] Aging and Disability Services shall, after receiving such information
on the case which the commissioner deems necessary, submit written
recommendations concerning the case to the commissioner for his
consideration. The commissioner shall issue his decision, in writing,
within ten days after the conclusion of the hearing. If the commissioner
determines that the employee's injury is a permanent vocational
disability, the employee shall be issued a certificate of disability by the
commissioner. Such certificate shall be effective for a stated period of
time of from one to five years, as determined by the commissioner. The
decision of the commissioner may be appealed in accordance with the
provisions of section 31-301.

For purposes of this section, "state agency" has the same meaning as provided in section 9-612 and "interpreting" has the same meaning as provided in section 46a-33a, as amended by this act. Any state agency that is unable to fulfill a request for interpreting services with its own interpreting staff shall first request such services from the Department of [Rehabilitation] Aging and Disability Services and may seek such services elsewhere if (1) the department is unable to fulfill the request in two business days, or (2) the agency shows good cause that it needs such services immediately. The provisions of this section shall not (A) apply to the Department of [Rehabilitation] Aging and Disability Services if the department needs interpreting services related to an internal matter and the use of department interpreters may raise confidentiality concerns, or (B) affect any preexisting contract for interpreting services. Interpreting services provided by a state agency shall be in accordance with the provisions of section 46a-33a, as amended by this act.

This act shall take effect as follows and shall amend the following sections:
