827 be in the best interests of the off-track betting system established
828 pursuant to the provisions of section 12-571, as amended by this act.
829 Notwithstanding the provisions of subsection (c) or (d) of this section,
830 the [department] commission or any person or business organization
831 operating an off-track betting system and conducting wagering on
832 racing events held without this state, may distribute to the holders of
833 winning tickets who have placed wagers in said combined pools such

836 established at the facility where such racing program is conducted plus
837 the breakage to the dime, as shall be determined by the [commissioner]
838 commission.

845 the [department] commission for the payment of prizes and for the
846 payment of compensation under section 12-572, as amended by this
847 act. Upon receipt of any such certification, the amount so certified shall
848 be transferred from the betting fund to the General Fund.

850 following is substituted in lieu thereof (*Effective January 1, 2020*):

851 The [department] commission may authorize the operation of

852 frontons in the state for exhibition of the Spanish ball game called jai
853 alai or pelota. The operation of all frontons shall be under the
854 supervision of the [department] commission.

855 Sec. 29. Section 12-574 of the general statutes is repealed and the
856 following is substituted in lieu thereof (*Effective January 1, 2020*):

857 (a) No person or business organization may conduct a meeting at
858 which racing or the exhibition of jai alai is permitted for any stake,
859 purse or reward or operate the off-track betting system unless such
860 person or business organization is licensed as an association licensee
861 by the [commissioner] commission. Any such licensee authorized to
862 conduct a meeting or operate the off-track betting system shall
863 indemnify and save harmless the state of Connecticut against any and
864 all actions, claims, and demands of whatever kind or nature which the
865 state may sustain or incur by reason or in consequence of issuing such
866 license.

867 (b) No person or business organization may operate any concession
868 at any meeting at which racing or the exhibition of jai alai is permitted
869 or any concession which is allied to an off-track betting facility unless
870 such person or business organization is licensed as a concessionaire
871 licensee by the [commissioner] commission.

872 (c) No person or business organization awarded the primary
873 contract by an association licensee to provide facilities, components,
874 goods or services which are necessary for the operation of the activities
875 authorized by the provisions of section 12-572, as amended by this act,
876 may do so unless such person or business organization is licensed as a
877 vendor licensee by the [commissioner] commission.

878 (d) No person or business organization may provide totalizator
879 equipment and services to any association licensee for the operation of
880 a pari-mutuel system unless such person or business organization is
881 licensed as a totalizator licensee by the [commissioner] commission.

882 (e) No business organization, other than a shareholder in a publicly

883 traded corporation, may exercise control in or over an association, a
884 concessionaire, a vendor or a totalizator licensee unless such business
885 organization is licensed as an affiliate licensee by the [commissioner]
886 commission. The [commissioner] commission shall issue affiliate
887 licenses to qualified business organizations.

888 (f) No person may participate in this state in any activity permitted
889 under this chapter as an employee of an association, concessionaire,
890 vendor, totalizator or affiliate licensee unless such person is licensed as
891 an occupational licensee by the [commissioner] commission. Whether
892 located in or out of this state, no officer, director, partner, trustee or
893 owner of a business organization which obtains a license in accordance
894 with this section may continue in such capacity unless such officer,
895 director, partner, trustee or owner is licensed as an occupational
896 licensee by the [commissioner] commission. An occupational license
897 shall also be obtained by any shareholder, key executive, agent or
898 other person connected with any association, concessionaire, vendor,
899 totalizator or affiliate licensee, who in the judgment of the
900 [commissioner] commission will exercise control in or over any such
901 licensee. Such person shall apply for a license not later than thirty days
902 after the [commissioner] commission requests [him] such person, in
903 writing, to do so. The [commissioner] commission shall complete [his]
904 an investigation of an applicant for an occupational license and notify
905 such applicant of [his] the commission's decision to approve or deny
906 the application within one year after its receipt, or, if the
907 [commissioner] commission determines good cause exists for
908 extending such period of investigation and gives the applicant a
909 reasonable opportunity for a hearing, by the date prescribed by the
910 [commissioner] commission.

911 (g) In determining whether to grant a license, the [commissioner]
912 commission may require the applicant to submit information as to:
913 Financial standing and credit; moral character; criminal record, if any;
914 previous employment; corporate, partnership or association
915 affiliations; ownership of personal assets; and such other information

916 as it [or he] deems pertinent to the issuance of such license.

917 (h) The [commissioner] commission may reject for good cause an
918 application for a license. Any license granted under the provisions of
919 this chapter is a revocable privilege and no licensee shall be deemed to
920 have acquired any vested rights based on the issuance of such license.
921 The [commissioner, the deputy commissioner, the executive assistant]
922 commission members, executive director, any unit head or any
923 assistant unit head authorized by the [commissioner] commission may
924 suspend or revoke for good cause any license issued by the
925 [commissioner] commission after a hearing held in accordance with
926 chapter 54. If any affiliate licensee fails to comply with the provisions
927 of this chapter, the [commissioner] commission, after a hearing held in
928 accordance with chapter 54, may revoke or suspend the license of any
929 one or more of the following related licensees: Concessionaire, vendor
930 or totalizator, and may fine any one or more of such licensees in an
931 amount not to exceed two thousand five hundred dollars. In addition,
932 if any affiliate licensee fails to comply with the provisions of this
933 chapter, the [commissioner] commission, after a hearing held in
934 accordance with chapter 54, may revoke or suspend the license of the
935 related association licensee and may fine the related association
936 licensee in an amount not to exceed seventy-five thousand dollars or
937 both. If any license is suspended or revoked, the [commissioner]
938 commission shall state the reasons for such suspension or revocation
939 and cause an entry of such reasons to be made on the record books of
940 the [department] commission. Any licensee whose license is
941 suspended or revoked, or any applicant aggrieved by the action of the
942 [commissioner] commission concerning an application for a license,
943 may appeal pursuant to section 4-183.

944 (i) The [commissioner] commission shall adopt regulations
945 governing the operation of the off-track betting system and facilities,
946 tracks, stables, kennels and frontons, including the regulation of
947 betting in connection therewith, to insure the integrity and security of
948 the conduct of meetings and the broadcast of racing events held

949 pursuant to this chapter. Such regulations shall include provision for
950 the imposition of fines and suspension of licenses for violations
951 thereof. Prior to the adoption of any regulations concerning the
952 treatment of animals at any dog race track, the [commissioner]
953 commission shall notify the National Greyhound Association of the
954 contents of such regulations and of its right to request a hearing
955 pursuant to chapter 54. The [commissioner] commission shall have the
956 authority to impose a fine of up to (1) seventy-five thousand dollars for
957 any violation of such regulations by a licensee authorized to conduct a
958 meeting or operate the off-track betting system under this section; (2)
959 five thousand dollars for any violation of such regulations by a
960 business organization licensed as an affiliate licensee authorized to
961 exercise control over an association; and (3) two thousand five
962 hundred dollars for any such violation by any other licensee licensed
963 by the [commissioner] commission. The stewards or judges of a
964 meeting acting in accordance with such regulations shall have the
965 authority to impose a fine of up to five hundred dollars for any such
966 violation by such licensee, and the players' manager of a jai alai
967 exhibition acting in accordance with such regulations shall have the
968 authority to recommend to the judges that a fine should be considered
969 for a player who may have violated such regulations. The
970 [commissioner] commission may delegate to the stewards and judges
971 of a meeting the power to suspend the license of any occupational
972 licensee employed in this state by an association licensee for a period
973 not to exceed sixty days for any violation of such regulations. If any
974 license is suspended, such stewards and judges of a meeting shall state
975 the reasons therefor in writing. All fines imposed pursuant to this
976 section shall be paid over to the General Fund upon receipt by the
977 [department] commission. Any person or business organization fined
978 or suspended pursuant to this section shall have a right of appeal to
979 the [commissioner] commission for a hearing that shall be conducted
980 pursuant to chapter 54. Any person or business organization aggrieved
981 by a decision of the [commissioner] commission following such a
982 hearing shall have a right of appeal pursuant to section 4-183.

983 (j) The [commissioner] commission shall have the power to require
984 that the books and records of any licensee, other than an occupational
985 licensee, shall be maintained in any manner which [he] the commission
986 may deem best, and that any financial or other statements based on
987 such books and records shall be prepared in accordance with generally
988 accepted accounting principles in such form as [he] the commission
989 shall prescribe. The [commissioner or his] commission or a commission
990 designee shall also be authorized to visit, to investigate and to place
991 expert accountants and such other persons as [he] the commission may
992 deem necessary, in the offices, tracks, frontons, off-track betting
993 facilities or places of business of any such licensee, for the purpose of
994 satisfying [himself or herself] the commission that the [department's]
995 commission's regulations are strictly complied with.

996 (k) The [commissioner] commission may at any time for good cause
997 require the removal of any employee or official employed by any
998 licensee hereunder.

999 (l) The [commissioner] commission may, on [his or her own] the
1000 commission's motion or upon application, exempt any person or
1001 business organization from the licensing requirements of this chapter
1002 or some or all of the disclosure requirements of chapter 226b, provided
1003 the applicant does not exercise control in or over an integral part of
1004 any activity which is authorized under this chapter. The burden of
1005 proving that an exemption should be granted rests solely with the
1006 applicant. The [commissioner] commission may limit or condition the
1007 terms of an exemption and such determination shall be final.

1008 (m) Any person aiding or abetting in the operation of an off-track
1009 betting system or the conduct of any meeting within this state at which
1010 racing or the exhibition of the game of jai alai shall be permitted for
1011 any stake, purse or reward, except in accordance with a license duly
1012 issued and unsuspended or unrevoked by the [commissioner]
1013 commission, shall be guilty of a class A misdemeanor.

1014 (n) The majority of the membership of the board of directors of any

1015 corporation licensed to operate the off-track betting system or to hold

1017 or the exhibition of the game of jai alai shall be permitted for any stake,
1018 purse or reward, shall be residents of the state of Connecticut.

1019 (o) Any license granted under this section, other than an association
1020 license authorizing the licensee to conduct a meeting or operate the off-
1021 track betting system, as described in subsection (a) of this section, or an
1022 affiliate license authorizing the licensee to exercise control in or over
1023 an association licensee, as described in subsection (e) of this section,
1024 shall be effective for not more than one year from the date of issuance.
1025 Initial application for and renewal of any license shall be in such form
1026 and manner as the [commissioner] commission shall prescribe by
1027 regulation.

1028 (p) Any person or business organization issued a license to conduct
1029 dog racing shall establish a pet adoption program for the proper
1030 housing and care of retired greyhounds and shall provide financial
1031 support for such program and any facility operated to implement such
1032 program.

1033 (q) Any person or business organization issued a license to conduct
1034 dog racing pursuant to subsection (c) of section 12-574c, as amended
1035 by this act, shall employ persons who, at the time of employment, are
1036 recipients of assistance under the state-administered general assistance
1037 program, state supplement program, medical assistance program,
1038 temporary family assistance program or supplemental nutrition
1039 assistance program to fill not less than twenty per cent of the positions
1040 created by the conversion of a jai alai fronton to a dog race track if such
1041 persons have been trained for such employment by public or publicly
1042 funded agencies in coordination with such licensee.

1043 (r) Any person or business organization issued a license to conduct
1044 dog racing pursuant to subsection (c) of section 12-574c, as amended
1045 by this act, shall provide an on-site child care center, as described in
1046 section 19a-77, for use by employees of the dog race track. Such

1047 licensee shall employ persons who, at the time of employment, are
1048 recipients of aid under chapter 302 or 308 to fill not less than fifty per
1049 cent of the positions at such child care center if such persons have been
1050 trained for such employment by public or publicly funded agencies in
1051 coordination with such licensee.

1052 (s) Notwithstanding any other provisions of this chapter to the
1053 contrary, any person or business organization issued a license to
1054 conduct dog racing may operate on a year-round basis and may
1055 conduct such number of performances as it may elect, provided the
1056 total number of such performances does not exceed five hundred
1057 eighty performances in any calendar year.

1058 Sec. 30. Section 12-574a of the general statutes is repealed and the
1059 following is substituted in lieu thereof (*Effective January 1, 2020*):

1060 (a) Whenever a person or business organization files an application
1061 with the [department] commission for a license to conduct an activity
1062 regulated by section 12-574, as amended by this act, exclusive of
1063 renewal license applications, the [department] commission shall
1064 forward within five days to the town clerk of the town within which
1065 such activity is proposed to be carried on a statement specifying the
1066 prospective applicant, the proposed activity, the site on which such
1067 activity is proposed to be conducted and the fact that an application
1068 has been filed with the [department] commission. Within ten days
1069 after such statement has been filed, such town clerk shall cause notice
1070 of such filing to be published in a newspaper having a circulation in
1071 the town wherein the activity is to be conducted. The question of the
1072 approval of the conducting of such activity shall be submitted to the
1073 electors of such town at a special election called for the purpose to be
1074 held not less than thirty nor more than sixty days after such
1075 publication, in conformity with the provisions of section 9-369, or at a
1076 regular town election if such election is to be held more than sixty but
1077 not more than one hundred twenty days after such publication, such
1078 question shall be so submitted and the vote shall be taken in the
1079 manner prescribed by said section 9-369. The town clerk shall notify

1080 the [department] commission of the results of such election. The
1081 disapproval of the conducting of such activity by a majority of those
1082 voting on the question shall be a bar to the granting of a license to such
1083 applicant to conduct such activity at such location. All costs incurred
1084 by a municipality in connection with such referendum shall be paid to
1085 said municipality by the person or business organization filing such
1086 application for such license. The provisions of this subsection shall not
1087 apply to any licensee authorized to operate the off-track betting system
1088 with respect to any off-track betting facility approved prior to June 25,
1089 1993.

1090 (b) No licensee may conduct any racing or jai alai event on any
1091 Sunday without the prior approval of the legislative body of the town
1092 in which the event is scheduled to take place.

1093 (c) No licensee authorized to operate the off-track betting system
1094 may conduct any off-track pari-mutuel wagering on any racing
1095 program on any Sunday without the prior approval of the legislative
1096 body of the town in which such off-track betting facility is located.

1097 (d) Notwithstanding the provisions of subsection (a) of this section,
1098 the prior approval of the legislative body only of the town shall be
1099 required in the event the [department] commission issues a license
1100 pursuant to subsection (c) of section 12-574c, as amended by this act.

1101 Sec. 31. Section 12-574c of the general statutes is repealed and the
1102 following is substituted in lieu thereof (*Effective January 1, 2020*):

1103 (a) The [Department of Consumer Protection] commission shall not
1104 issue a license authorizing any person, firm, corporation or association
1105 to conduct horse racing, dog racing or jai alai events.

1106 (b) Notwithstanding the provisions of subsection (a) of this section,
1107 the [department] commission may renew any license issued prior to
1108 May 23, 1979, or issue such a license to a currently operating facility.

1109 (c) Notwithstanding the provisions of subsection (a) of this section,

1111 additional license authorizing a person or business organization to
1112 conduct dog racing to a person or business organization holding a
1113 license to conduct jai alai events or to the successor of such business
1114 organization upon the surrender of the license to conduct jai alai
1115 events.

1116 (d) No licensee shall move any horse race track, dog race track or jai

1123 racing dogs following a race or at any time during a meet conducted
1124 by any licensee authorized to conduct dog racing events under the
1125 pari-mutuel system. If the [commissioner] commission determines
1126 from such random testing that the integrity of dog racing events may
1127 be compromised, the [commissioner] commission may order the
1128 conduct of more frequent testing at one or more dog race tracks for
1129 such period of time as the [commissioner] commission deems
1130 necessary or advisable. The [commissioner] commission shall
1131 determine the laboratory responsible for the conduct of such testing
1132 and the amount of the fee for such test which shall be based upon the
1133 actual cost of such test and which shall be payable on a basis
1134 determined by the [commissioner] commission. Each such licensee
1135 shall pay such fee directly to such laboratory with respect to racing

1138 accordance with the provisions of chapter 54, to implement the
1139 provisions of subsection (a) of this section. The [commissioner]
1140 commission may implement policies and procedures necessary to
1141 carry out the provisions of subsection (a) of this section while in the

1142 process of adopting regulations, provided the [commissioner]
1143 commission prints notice of intent to adopt the regulations in the
1144 Connecticut Law Journal within twenty days after implementation.
1145 Such policies and procedures shall be valid until the time final
1146 regulations are effective.

1147 Sec. 33. Section 12-575 of the general statutes is repealed and the
1148 following is substituted in lieu thereof (*Effective January 1, 2020*):

1778 the judicial district of Hartford.

1779 (d) Such authorization shall apply to MMCT Venture, LLC,
