AN ACT CONCERNING COTTAGE FOOD PRODUCTS AND THE PRODUCTION OF HONEY AND MAPLE SYRUP.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. Section 21a-62b of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2019):

For the purposes of this section and sections 21a-62c to 21a-62h, inclusive:

(1) "Commissioner" means the Commissioner of Consumer Protection or an authorized agent of the commissioner;

(2) "Cottage food operation" means any person who produces cottage food products only in the home kitchen of such person's private residential dwelling and only for sale directly to the consumer and who does not operate as a food service establishment pursuant to section 19a-36 or regulations adopted pursuant to section 21a-101, or a food retailer, distributor or manufacturer as defined in subsection (b) of section 21a-92 and section 21a-151;

(3) "Cottage food products" means nonpotentially hazardous baked
goods, jams, jellies and other nonpotentially hazardous foods produced by a cottage food operation. "Cottage food products" does not include maple syrup or honey;

(4) "Food service establishment" means any establishment in which food is stored, offered for sale, processed or prepared, and includes the transportation of any food;

(5) "Private residential dwelling" means an owner or resident occupied dwelling. "Private residential dwelling" does not include any group or communal residential setting within any type of structure or outbuilding, shed, barn or other similar structure;

(6) "Home kitchen" means a kitchen designed and intended for use by the residents of a home but that is also used by a resident for the production of cottage food products and that may contain one or more stoves or ovens, which may be a double oven, designed for residential use. "Home kitchen" does not include commercial equipment typically used for large wholesale manufacturing;

(7) "Permitted area" means the portion of a private residential dwelling that contains a home kitchen where the preparation, packaging, storage or handling of cottage food products occurs; and

(8) "Potentially hazardous food" means a food that requires time and temperature control for safety to limit pathogenic microorganism growth or toxin formation.
