community leaders within the school district, (C) five members who are teachers at the school, (D) one nonvoting member who is the principal of the school, or his or her designee, and (E) two nonvoting student members who are students at the school. The parent or guardian members shall be elected by the parents or guardians of students attending the school, provided, for purposes of the election, each household with a student attending the school shall have one vote. The community leader members shall be elected by the parent or guardian members and teacher members of the school governance council. The teacher members shall be elected by the teachers of the school. The nonvoting student members shall be elected by the student body of the school.

(2) The school governance council for an elementary or a middle school shall consist of (A) seven members who are a parent or guardian of a student attending the school, regardless of such parent or guardian's status as a public official, (B) two members who are community leaders within the school district, (C) five members who are teachers at the school, and (D) one nonvoting member who is the principal of the school, or his or her designee. The parent or guardian members shall be elected by the parents or guardians of students attending the school, provided, for purposes of the election, each household with a student attending the school shall have one vote. The community leader members shall be elected by the parent or guardian members and teacher members of the school governance council. The teacher members shall be elected by the teachers of the school.

Sec. 3. Subsection (a) of section 19a-79 of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

(a) The Commissioner of Early Childhood shall adopt regulations, in accordance with the provisions of chapter 54, to carry out the purposes of sections 19a-77 to 19a-80, inclusive, and 19a-82 to 19a-87, inclusive, and to assure that child care centers and group child care
homes meet the health, educational and social needs of children utilizing such child care centers and group child care homes. Such regulations shall (1) specify that before being permitted to attend any child care center or group child care home, each child shall be protected as age-appropriate by adequate immunization against diphtheria, pertussis, tetanus, poliomyelitis, measles, mumps, rubella, hemophilus influenzae type B and any other vaccine required by the schedule of active immunization adopted pursuant to section 19a-7f, including appropriate exemptions for children for whom such immunization is medically contraindicated and for children whose [parents] parent or guardian objects to such immunization on religious grounds, and that any objection by [parents] a parent or a guardian to immunization of a child on religious grounds shall be accompanied by a statement from such [parents] parent or guardian that such immunization would be contrary to the religious beliefs of such child or the [parents] parent or guardian of such child, which statement shall be acknowledged, in accordance with the provisions of sections 1-32, 1-34 and 1-35, by (A) a judge of a court of record or a family support magistrate, (B) a clerk or deputy clerk of a court having a seal, (C) a town clerk, (D) a notary public, (E) a justice of the peace, or (F) an attorney admitted to the bar of this state, (2) specify conditions under which child care center directors and teachers and group child care home providers may administer tests to monitor glucose levels in a child with diagnosed diabetes mellitus, and administer medicinal preparations, including controlled drugs specified in the regulations by the commissioner, to a child receiving child care services at such child care center or group child care home pursuant to the written order of a physician licensed to practice medicine or a dentist licensed to practice dental medicine in this or another state, or an advanced practice registered nurse licensed to prescribe in accordance with section 20-94a, or a physician assistant licensed to prescribe in accordance with section 20-12d, and the written authorization of a parent or guardian of such child, (3) specify that an operator of a child care center or group child care home, licensed before January 1, 1986, or an operator who receives a license after January 1, 1986, for a facility
licensed prior to January 1, 1986, shall provide a minimum of thirty
square feet per child of total indoor usable space, free of furniture
except that needed for the children's purposes, exclusive of toilet
rooms, bathrooms, coatrooms, kitchens, halls, isolation room or other
rooms used for purposes other than the activities of the children, (4)
specify that a child care center or group child care home licensed after
January 1, 1986, shall provide thirty-five square feet per child of total
indoor usable space, (5) establish appropriate child care center staffing
requirements for employees certified in cardiopulmonary resuscitation
by the American Red Cross, the American Heart Association, the
National Safety Council, American Safety and Health Institute or
Medic First Aid International, Inc., (6) specify that on and after January
1, 2003, a child care center or group child care home (A) shall not deny
services to a child on the basis of a child's known or suspected allergy
or because a child has a prescription for an automatic prefilled
cartridge injector or similar automatic injectable equipment used to
treat an allergic reaction, or for injectable equipment used to
administer glucagon, (B) shall, not later than three weeks after such
child's enrollment in such a center or home, have staff trained in the
use of such equipment on-site during all hours when such a child is
on-site, (C) shall require such child's parent or guardian to provide the
injector or injectable equipment and a copy of the prescription for such
medication and injector or injectable equipment upon enrollment of
such child, and (D) shall require a parent or guardian enrolling such a
child to replace such medication and equipment prior to its expiration
date, (7) specify that on and after January 1, 2005, a child care center or
group child care home (A) shall not deny services to a child on the
basis of a child's diagnosis of asthma or because a child has a
prescription for an inhalant medication to treat asthma, and (B) shall,
not later than three weeks after such child's enrollment in such a center
or home, have staff trained in the administration of such medication
on-site during all hours when such a child is on-site, and (8) establish
physical plant requirements for licensed child care centers and licensed
group child care homes that exclusively serve school-age children.
When establishing such requirements, the Office of Early Childhood
shall give consideration to child care centers and group child care homes that are located in private or public school buildings. With respect to this subdivision only, the commissioner shall implement policies and procedures necessary to implement the physical plant requirements established pursuant to this subdivision while in the process of adopting such policies and procedures in regulation form. Until replaced by policies and procedures implemented pursuant to this subdivision, any physical plant requirement specified in the office's regulations that is generally applicable to child care centers and group child care homes shall continue to be applicable to such centers and homes that exclusively serve school-age children. The commissioner shall print notice of the intent to adopt regulations pursuant to this subdivision [in the Connecticut Law Journal] on the eRegulations System not later than twenty days after the date of implementation of such policies and procedures. Policies and procedures implemented pursuant to this subdivision shall be valid until the time final regulations are adopted.
