

Please lengthen the Tweed Runway.

The New haven area is blessed with Yale and Brains. You cannot teach tall. You cannot teach bright. You are not using an incredible resource.

Innovative and leading edge companies are attracted to what the New Haven area has. ONE big problem New Haven is a colossal pain to get to. Much investment that should be in New Haven is not there and won't go.

Looking at a map, the solution is obvious and simple. Extend tweed to I 95.
