

Good Morning

Please accept this email as a letter of support for passing H.B. No. 7143 for Extending the Runway at Tweed Airport. This transportation hub is essential for the SCRCOG Region and Connecticut as a whole in driving growth in our Economic Development Initiatives consistent with our CeDs (Comprehensive Economic Development Strategy).

It will also assist in attracting workforce and businesses to our region and State while offering better competition for Tweed to attract more airline service by becoming a more feasible alternative for the Airline Industry.

The City of West Haven, encourages the passing of the vital Bill No. 7143.

Thank you for your consideration
