HB 7402

Emergency Certification

AN ACT CONCERNING FUNDING FOR ASSISTANCE TO PERSONS DISPLACED BY HURRICANE MARIA.

SUMMARY

The FY 19 budget revision act earmarked $500,000 in FY 19 appropriations to the Department of Social Services to assist residents displaced by Hurricane Maria. This bill directs $90,000 of the earmarked funds to Caribe Youth Leaders in Bridgeport, rather than Waterbury, correcting a reference in the act. The bill also specifies that an existing $90,000 of the earmarked funds directed to the Family Resource Center in Hartford is for the Welcome Center at Hartford Public Schools.
