OLR Bill Analysis
SB 60

AN ACT CONCERNING THE PRESENTATION OF A CARRY PERMIT.

SUMMARY

This bill requires a pistol or revolver permit holder to produce his or her permit if a law enforcement officer (1) sees the handgun and (2) requests to see the permit in order to verify its validity or the identification of the holder. Current law requires the permit holder to do so only if the law enforcement officer also has reasonable suspicion of a crime.

Under existing law, and the bill, a person who violates this provision commits an infraction and must be fined $35.

By law, a pistol or revolver permit holder must carry his or her permit on their person while carrying a pistol or revolver (i.e., any firearm having a barrel less than 12 inches in length).
