OLR Bill Analysis
SB 951

AN ACT CONCERNING VETERAN ENROLLMENT IN CERTAIN ALTERNATE ROUTE TO CERTIFICATION PROGRAMS.

SUMMARY

This bill requires the Department of Education to reserve, for veterans, 15% of seats available in the existing alternate route to certification program (i.e., a program through which individuals from an alternate profession can attain their initial educator certificate). Under the bill, a veteran is anyone honorably discharged, or released under honorable conditions, from active service in the U.S. Army, Navy, Marines, Coast Guard, Air Force, or any reserve component, including the National Guard performing duty under Title 32 of federal law (e.g., certain Homeland Security missions)(CGS § 27-103(a)).

Under the bill and existing law, such veterans must hold at least a bachelor's degree from an institution of higher education accredited by the Board of Regents for Higher Education or Office of Higher Education, or that is regionally accredited. Seats not filled by veterans must be made available for all persons from an alternate profession (see below).

The bill also makes technical changes.
