2. Signs, banners, placards or other display materials may not be brought into the Capitol or Legislative Office Building if, in the opinion of the State Capitol Police, they present a hazard to the health and safety of the public.
3. Radio or television equipment, recording equipment, or sound-making amplifying equipment may not be brought into the Capitol Building or Legislative Office Building by anyone other than accredited representatives of the news media (note: this regulation shall not prevent persons from bringing hand-held cameras or portable cassette recording equipment into the buildings).
4. The Office of the State Capitol Police may clear the Capitol Building and/or the Legislative Office Building of persons and close the building(s) to the public in the event

CAPITOL INFORMATION (Continued)

that there is a disturbance within the building(s) that might prevent official business from being conducted or that might endanger any member of officer of the General Assembly or any officer or employee of the State of Connecticut or the general public. Accredited representatives of the news not participating in such disturbance may be permitted to remain within the building(s) at such times that they may be closed for the purposes stated herein.

5. When the Capitol Building or Legislative Office Building is closed for the purposes stated in rule #4 the building(s) shall remain closed only as long as is necessary to avoid the disruption of official business and/or to ensure the safety of members of officers of the General Assembly, officers or employees of the State of Connecticut, or the general public.

10. Animals may not be brought into the Capitol Building or Legislative Office Building without prior permission from the Office of the State Capitol Police or unless otherwise permitted by law.

CAPITOL POLICE-PARKING REGULATIONS

Limited parking facilities make it impossible to guarantee parking for members of the public attending meetings and functions at the Capitol and LOB. Parking in the garage for the public is on a space-available basis only. During the legislative session, Capitol Police officers greet visitors and direct them to available parking spaces reserved for members of the public.

Cars parked in inappropriate areas will be ticketed, and vehicles that present a hazard to public safety will be towed.

There is no parking allowed in the cut out area in front of the LOB. This is a fire lane for emergency vehicles and is also used as a discharge area for students visiting the Capitol. Please do not park in this area even if you are "just running into the building for a minute." The 15 minute parking is located on the south side of Armory Road Extension (in front of the Armory park side).

The south and west areas of the Capitol are for reserved parking and for vehicles with a Capitol grounds permit. A section of the north driveway is reserved for public parking only. Signs clearly identify where the public parking ends and the permit parking begins. Parking regulations will be enforced. Call the Capitol Police at (860) 240-0240 for further information.

VISITOR PARKING

Capitol Police direct visitors to the first floor of the Legislative Office Garage. When this area fills, visitors are directed to other available areas of the parking garage until it is at capacity.

REMINDER – NO LOBBYIST \$\$ DURING THE LEGISLATIVE SESSION

The State Elections Enforcement Commission reminds all concerned individuals of the ban on campaign contributions and the solicitation of such contributions by registered lobbyists

CAPITOL INFORMATION (Continued)

and their affiliated political action committees (PACs) to General Assembly and statewide candidates and their affiliated political committees during the legislative session.

There are two different sets of provisions that apply to registered lobbyists: (1) a temporary “sessional” contribution and solicitation ban while the General Assembly is in session that applies to all individuals or entities that are registered with the Office of State Ethics as either a “**client lobbyist**” or a “**communicator lobbyist**” and political committees established by or on behalf of such lobbyists and (2) a permanent (year round) set of restrictions that applies to all individuals or entities registered as a “communicator lobbyist,” their immediate family members and political committees established or controlled by communicator lobbyists or members of their immediate family. Specifically, communicator lobbyists are subject to a year round \$100 contribution limit to candidates for General Assembly and statewide office, political committees established or controlled by such candidates, legislative leadership and caucus committees, and party committees. In addition, communicator lobbyists are prohibited from bundling¹ contributions for such covered committees. Finally, communicator lobbyists may not knowingly solicit contributions for such covered committees from individuals who serve on the board of directors of, are partners of, are employed by, or have a 5 percent or more ownership interest in any client lobbyist they represent. The Office of State Ethics maintains a list of all client lobbyists and communicator lobbyists.

The sessional ban begins from the time the General Assembly convenes in regular session on January 9, 2019 and continues until adjournment sine die on June 5 9, 2019. Candidates for (1) Statewide office, (2) General Assembly and (3) political committees that failed to certify that they were “not established (a) for an assembly or senatorial district, (b) by an elected statewide official, a member of the General Assembly or their agent, or (c) in consultation with or at the request or suggestion of any such official, member or their agent, or controlled by such official, member or agent,” are prohibited from receiving lobbyist contributions or benefiting from lobbyist solicitations during the session. *See* General Statutes § 1-91 (l), (u) and (v), for the definition of “lobbyist,” “client lobbyist” and “communicator lobbyist” and General Statutes § 9-610 (e), (g), (h) and (i), for the application of the bans.

The State Elections Enforcement Commission has provided to the President Pro Tempore of the Senate, the Speaker of the House, the Senate Minority Leader, the House Republican Leader, and each Statewide officer, a copy of its updated list of “Political Committees Established by or on behalf of a Client Lobbyist” as well as an updated “Prohibited Recipients List of Political Committees.” Copies of these lists are available to each legislator from these leaders as well as by accessing the Commission’s website located at www.ct.gov/seec. Any questions concerning application of the lobbyist contribution bans or any other provision of the State’s campaign financing laws should be directed to the Commission at (860) 256-2940, or toll free outside of the Hartford local calling area at: 1-866-733-2463.

Your cooperation is greatly appreciated.

Representative Joe Aresimowicz
