Subject: Oppose the 25% Property Tax on Nonprofits with Savings Accounts (S.B. 1137 & S.B. 1138)

Dear [recipient's salutation and name],

I strongly oppose Section 1 of S.B. 1137 and Section 5 of S.B. 1138, which would require nonprofits with savings accounts or endowments to pay a 25% tax on property currently exempt from taxes.

This proposal would take funds from services for people with developmental disabilities and homeless shelters, from people struggling with substance abuse, victims of domestic violence, and arts and cultural programs, among other essential services that serve community needs.

Any tax a nonprofit is required to pay means fewer people will be served. Nonprofits provide services so government does not have to. Paying a tax to government takes away our ability to serve more people.

In addition, nonprofit endowments and savings accounts serve as safety nets to fund the continuation of services when government funding or public gifting falls behind expectations.

This proposal would also sabotage our relationship with individual and corporate donors who want their contributions to help people, not pay taxes. Nonprofits are already struggling to find and retain new donors.

Simply put, this proposal would divert critical resources away from the people nonprofits serve. It will hurt the most vulnerable people among us. I urge you to take no action on S.B. 1137 and S.B. 1138 unless this harmful proposal is removed.

Sincerely,
Marijke Kehrhahn
