OFA Fiscal Note

Eliminates Fiscal Impact in Bill

The amendment strikes the language of the underlying bill and its associated fiscal impact. It expands the organizations that may certify certain individuals in cardiopulmonary resuscitation, which is not anticipated to result in a fiscal impact to the State or municipalities.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
