AMENDMENT

LCO No.: 9841

OFA Fiscal Note

No Fiscal Impact

The amendment requires that any public employee union receiving information from a public employer about a public employee give a bond to the state with sufficient surety to provide credit monitoring and identity theft protection services to all employees whose information the union receives in the event of a data breach. This has no fiscal impact to the State or municipalities as the costs would be borne by the unions.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge.
