AN ACT CONCERNING DECEPTIVE ADVERTISING PRACTICES
OF LIMITED SERVICES PREGNANCY CENTERS.

AMENDMENT

LCO No.: 8932

File Copy No.: 753

House Calendar No.: 451

OFA Fiscal Note

Minimal Revenue Gain

The amendment strikes the underlying bill and its associated fiscal impact.

This amendment prohibits deceptive advertising by pregnancy centers under certain conditions. It allows the Attorney General to apply to the court for injunctive relief under certain conditions. If the court finds that the center violated the deceptive advertising practices, the pregnancy center also must pay civil penalties of \$50 to \$500 per violation and reasonable attorney's fees and costs.

This could result in a revenue gain to the extent violations of the bill's provisions occur; it is estimated that there are approximately 30 pregnancy centers that meet the bill's definitions. As such, the bill could result in a revenue gain up to \$10,000 annually.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
