### ***OFA Fiscal Note***

***State Impact:*** None

***Municipal Impact:***

Municipalities	Effect	FY 20 \$	FY 21 \$
Various Local and Regional School Districts	STATE MANDATE <sup>1</sup> - Cost	Less than 5,000	Less than 5,000

### ***Explanation***

The amendment adds marijuana use and related disorders to public schools' required program of instruction. This results in a state mandate and additional cost to any local or regional school district. There are no costs associated with curriculum development, as the curriculum is available to boards of education. However, districts could incur costs associated with printing and disseminating new materials. It is anticipated that these costs will be less than \$5,000 per district, and would vary by the size of the district.
