## ***OFA Fiscal Note***

### ***No Fiscal Impact***

The amendment also makes clarifying changes, and codifies current practice by allowing municipalities to establish multipurpose senior centers that have no fiscal impact to the state or municipalities. The amendment also requires the Commission on Women, Children and Seniors to provide assistance to senior centers by establishing a working group to develop a coordinated plan for the support and training needs across municipalities for senior centers. This has no fiscal impact as the agency has the expertise to accommodate the provisions in the amendment.
