AMENDMENT

OFA Fiscal Note

No Fiscal Impact

The amendment precludes school districts, metropolitan districts, and other special taxing districts from establishing stormwater authorities. This has no fiscal impact, as it is not anticipated to change the number of storm water authorities that are established.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
