AMENDMENT

File Copy No.: 491

OFA Fiscal Note

See Fiscal Note Details

The amendment allows the Commissioner of Transportation to determine what portion of the parcel of land to be conveyed in the underlying bill would be conveyed. To the extent the Commissioner decides to convey a parcel of smaller size and/or values than the full parcel allowed, there would be a commensurate reduction to the loss of asset to the Department of Transportation, the increase of revenues to the Special Transportation Fund, and the gain of asset as well as cost to the town of Groton.
