AN ACT CONCERNING BUILDINGS.

AMENDMENT

LCO No.: 11043

File Copy No.: 628

House Calendar No.: 381

OFA Fiscal Note

See Fiscal Note Details

The amendment strikes the underlying bill and its associated fiscal impact. The amendment results in the following:

Section 1 does not result in a fiscal impact to the state or municipalities as it pertains to certain financial transactions between health carriers or pharmacy benefit managers (PBMs) and pharmacies or pharmacist.

Section 2 establishes an exemption from the prevailing wage between July 1, 2019 and January 1, 2020 for certain municipal construction projects that are (1) funded at least partially by a private bequest of between \$9.0 million and \$22.0 million, and (2) located in a municipality in New Haven County with a population between 12,000 and 13,000. This potentially reduces the cost of such municipal construction projects.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
