Explanation

The amendment strikes the underlying bill and its associated fiscal impact.

The amendment prohibits smoking on beaches in state parks, creating an infraction for violations of this provision. This anticipated to result in a revenue gain, anticipated to be less than \$5,000 annually.

The amendment also requires the Department of Energy and Environmental Protection (DEEP) to post a sign at each state park beach informing patrons of the smoking and vaping prohibition. Metal signs posted on metal poles could result in a cost of up to \$20,000 in FY 20. Cardboard or paper signs would cost considerably
