## ***OFA Fiscal Note***

### ***No Fiscal Impact***

The amendment requires quasi-public agencies to report certain wage and employment information, and makes a variety of changes to the other reporting requirements of such agencies. This has no fiscal impact, as it is anticipated that these agencies can complete these additional responsibilities with existing resources.

*The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.*
