AMENDMENT

LCO No.: 7123
File Copy No.: 137
Senate Calendar No.: 88

OFA Fiscal Note

No Fiscal Impact

The amendment strikes the language of the underlying bill and its associated fiscal impact. It replaces it with language that requires the Department of Children and Families (DCF), in consultation with the Office of the Child Advocate (OCA), to routinely collect and make available certain information concerning children placed in congregate care facilities. This is not anticipated to result in a fiscal impact to the State or municipalities. DCF and OCA have the necessary expertise to fulfil these provisions of the amendment and submit a related report to the Committee on Children no later than 12/31/19.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
