SB-945
AN ACT CONCERNING THE INNOVATION INCENTIVE PROGRAM FOR NONPROFIT PROVIDERS OF HUMAN SERVICES.

AMENDMENT

LCO No.: 10168
File Copy No.: 528
Senate Calendar No.: 245

OFA Fiscal Note

The amendment establishes a public-private partnership advisory council to allow the Commissioners of Social Services, Developmental Services, Children and Families, and Mental Health and Addiction Services to contract for the delivery of human services. The council shall submit a report of its findings and recommendations to the Appropriations, Children, human services and Public Health Committees by November 1, 2019. The council has no fiscal impact as PA 17-236 prohibits transportation allowances for council members.

The amendment also allows the agencies to contract for the delivery of human services through a public-private partnership, as recommended by the advisory council, without being subject to the State Contracting Standards Board. The fiscal impact from this provision would depend upon the agreement and cannot be determined at this time.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst’s professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
