The General Law committee meeting convened at 10AM by Chairman Rep. D’Agostino. The bill that was discussed was HB 7135 which was referred to the committee by the House of Representatives. Rep. D’Agostino discussed the fiscal ramifications of the bill as well as some of that language that could be incorporated into the General Law medical marijuana bill. Rep. Rutigliano, Rep. Altobello, and Rep. Cheeseman all offered feedback on the bill and agreed that the language can be included into the General Law bill. After discussion a bipartisan agreement was made to hold the bill and that no action would be taken.

A motion was duly made and seconded to adjourn the meeting.
