For the purposes of this
section, the General Assembly finds and declares that the average cost

(B) A description of such method or technology;

(C) Information sufficient to demonstrate, to the satisfaction of the
captive insurance company, (i) that such method or technology will
reduce the average cost of repairing or replacing concrete foundations
in this state that have deteriorated due to the presence of pyrrhotite,
and (ii) the amount of such reduction; and

(D) Such additional information that the commissioner, in the
commissioner's discretion and in consultation with the captive
insurance company, may prescribe.

(2) Not later than thirty days after a person files an application with
the commissioner pursuant to subdivision (1) of this subsection, the
commissioner shall file the application with the captive insurance
company.

(d) If the captive insurance company notifies the commissioner,
pursuant to subparagraph (A) of subdivision (13) of subsection (b) of
section 38a-91vv of the general statutes, as amended by this act, that an
applicant is eligible to receive a grant pursuant to subsection (b) of this
section, the commissioner shall, not later than thirty days after
receiving such notice, award a grant to such applicant in one of the
following amounts:

(1) One million dollars, if the captive insurance company

(3) Five million dollars, if the captive insurance company determines that the method or technology described in the applicant's application will reduce the average cost of repairing or replacing concrete foundations in this state that have deteriorated due to the presence of pyrrhotite by an amount that is not less than one hundred sixty-five thousand dollars.

(e) The commissioner may adopt regulations, in accordance with chapter 54 of the general statutes, to carry out the provisions of this section.

serve its public purpose;

(2) Establish a board of directors who shall serve in a volunteer

the board of directors. It shall not constitute a conflict of interest for a
member of the board of directors, who is the owner of a residential
building which has a concrete foundation that has deteriorated due to
the presence of pyrrhotite, or the spouse or dependent child of such
member, to apply for or receive assistance from the captive insurance

deliberation, action or vote by the board of directors in specific respect
to such member's application or the application of such spouse or

(5) Provide financial assistance to such owners of residential buildings for the repair or replacement of concrete foundations that have deteriorated due to the presence of pyrrhotite, including, but not limited to, financial reimbursement to [homeowners] owners who have had such repair or replacement performed prior to October 31, 2017;

(6) Assist such owners of residential buildings to obtain additional financing necessary to fully fund the repair or replacement of concrete foundations that have deteriorated due to the presence of pyrrhotite;

(7) Approve contractors or other vendors for eligibility to perform foundation repairs or replacements on behalf of claimants;

(8) Disburse such financial assistance to approved contractors or other vendors on behalf of claimants;

(9) Ensure that the financial assistance is used solely for costs of repairing and replacing concrete foundations that have deteriorated due to the presence of pyrrhotite;

(10) Require the disclosure of the amount of all financial compensation received by an owner of such a residential building, if any, arising out of a claim for coverage under the property coverage
provisions of the personal risk insurance policy, including, but not limited to, a homeowners policy, for foundation deterioration due to the presence of pyrrhotite and ensure that such amount is considered when determining the amount of financial assistance offered to such owner;

(11) When appropriate, apply for, qualify for and receive any federal funds made available under any federal act, for assistance to owners of residential buildings [and residential condominium units] having concrete foundations that have deteriorated due to the presence of pyrrhotite. To the extent permissible under federal law, all such federal funds shall be deposited into the Crumbling Foundations Assistance Fund established pursuant to section 8-441; [and]

(12) Enter into agreements, as necessary, with the Connecticut Housing Finance Authority and any participating lender, as defined in section 8-442, to develop and implement additional loan programs or financial products to assist such owners to repair or replace concrete foundations that have deteriorated due to the presence of pyrrhotite, while employing terms and conditions that are preferable to the open market; [.] and

(13) (A) Establish an innovation board within the captive insurance company that consists of volunteer members. The membership of the innovation board shall include, but need not be limited to, an attorney who is a member of the bar of this state with experience in intellectual property law, a chemist, an individual with experience in the construction industry, a licensed professional engineer who is a structural engineer, a materials scientist, an individual with experience in the technology industry and a venture capitalist. The board of directors of the captive insurance company shall appoint the members of the innovation board and each member of the innovation board shall have one vote on such innovation board. The innovation board shall, on behalf of the captive insurance company, (i) review each application filed by the Commissioner of Housing with the captive
insurance company pursuant to subdivision (2) of subsection (c) of
section 1 of this act, (ii) determine, by a majority of the members of
such board voting, (I) whether the person who filed such application is
eligible for a grant pursuant to said section, and (II) if the method or
technology described in such application will reduce the average cost
of repairing or replacing concrete foundations in this state that have
deteriorated due to the presence of pyrrhotite by an amount that is not
less than one hundred thirty-five thousand dollars, greater than one
hundred thirty-five thousand dollars but less than one hundred sixty-five
thousand dollars or not less than one hundred sixty-five thousand
dollars, and (III) notify the commissioner, not later than thirty days
after the innovation board received such application, of such
determination.

(B) No member of the innovation board established pursuant to
subparagraph (A) of this subdivision shall participate in any
deliberations concerning, vote on or otherwise take any action with
respect to an application filed with the innovation board pursuant to
subdivision (2) of subsection (c) of section 1 of this act if such member,
or a spouse or dependent child of such member, has a pecuniary
interest in the person who filed such application.

(c) Except as provided in subsection (d) of this section, such captive
insurance company shall not be considered a state agency for purposes
of any provision of the general statutes, and shall not be considered to
perform a governmental function for purposes of chapter 14. Such
captive insurance company may, subject to the provisions of this
section, do all things necessary and desirable in its discretion to
accomplish its purposes, including hiring employees and contracting
for administrative or operational services, and entering into
agreements with the Connecticut Housing Finance Authority created
pursuant to section 8-244 and any participating lender, as defined in
section 8-442, to develop and implement additional loan programs or
financial products that will assist owners of residential buildings to
repair or replace concrete foundations that have deteriorated due to
the presence of pyrrhotite on terms and conditions that are preferable
to the open market. Not more than ten per cent of all moneys allocated
or made available to the captive insurance company in any calendar
year shall be used for administrative or operational costs.

(d) Employees and agents of the captive insurance company shall
not be deemed state employees, except that employees and directors
shall be subject to the provisions of sections 1-84, 1-84a, 1-84b, 1-85 and
1-86. Any agent, consultant or contractor of the captive insurance
company shall be subject to the provisions of sections 1-86e and 1-

provisions of this subsection.

(e) Notwithstanding sections 38a-11 and 38a-91bb, the captive
insurance company shall not be required to pay a license fee for the
first year of licensure or a renewal fee for any year thereafter, as set
forth in said sections.

(f) In addition to any report required to be filed by not-for-profit
entities generally under regulations of the Internal Revenue Service,
the captive insurance company shall submit quarterly reports to the
joint standing committees of the General Assembly having cognizance
of matters relating to insurance, finance, planning and development,
housing and public safety on its operation and financial condition.
Such quarterly reports shall include, but need not be limited to,

granted during the quarter and to date, (6) the average time to process
applications, and (7) the total number and number, by town, of
applications pending and amount of such claims.
(g) The joint standing committees of the General Assembly having
cognizance of matters relating to insurance, finance, planning and
development, housing and public safety shall, not less than annually,
hold a joint public hearing on the operation and financial condition of
the captive insurance company.

(h) [A] Except for an application filed with the innovation board
established pursuant to subdivision (13) of subsection (b) of this
section, a decision on an application for assistance pursuant to this
section shall be made in writing and provided to the [homeowner] owner and shall include the information relied upon and the basis for
such decision, including the relevant eligibility and underwriting
criteria. An owner of such a residential building may request a review
of any decision by the captive insurance company relating to such
[homeowner] owner not later than thirty days after the decision. A
final determination on such a request for review shall be made in
writing and provided to the [homeowner] owner not later than thirty
days after receipt of the [homeowner's] owner's request, unless an
extension is agreed to by the [homeowner] owner. The final
determination shall be subject to approval by the board of directors.
There shall be no right to appeal such final determination.

Sec. 3. Section 8-440 of the general statutes is repealed and the

the residential dwellings described in subdivision (1) of this section.

Sec. 4. Section 38a-331 of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

(a) (1) [Beginning on January 1, 2019, until December 31, 2029, there shall be imposed a surcharge at the rate of twelve dollars on the named insured under each policy of homeowners insurance delivered, issued for delivery, renewed, amended or endorsed on or after January 1, 2019, for a personal risk insurance policy on owned dwellings with four or fewer units or on condominiums.] There is imposed a twelve-dollar surcharge on the issuance or renewal of each insurance policy providing:

(A) Personal risk insurance coverage for an owned dwelling in this state with four or fewer units, except for a mobile home;

(B) Coverage for an individual unit in this state that is part of a condominium, as such terms are defined in section 47-68a; or

(C) Coverage for an individual unit in this state that is part of a common interest community and exclusively used for residential purposes, as such terms are defined in section 47-202.

(2) The surcharge imposed under this subsection shall be assessed on insurance policies issued or renewed during the period beginning on January 1, 2019, and ending on December 31, 2029. Such surcharge is not premium and shall not be considered premium for any purpose.

All such remittances under subdivision (1) of this subsection, except for the amount of remittances equal to the cost of funding an administrative officer position at the Insurance Department to facilitate the surcharge collection, shall be deposited in the Healthy Homes Fund established in section 8-446. Not later than thirty days after such deposit in the Healthy Homes Fund, eighty-five per cent of such deposits shall be transferred to the Crumbling Foundations Assistance Fund established in section 8-441.
