ASSISTANT DEPUTY SPEAKER ALTObELLO IN THE CHAIR
BANKING, H.B. No. 5969 (File No. 242) AN ACT ESTABLISHING A COLLAPSING FOUNDATIONS LOAN PROGRAM TO PROVIDE LOW-INTEREST LOANS TO CERTAIN PROPERTY OWNERS.

The bill was explained by Representative Doucette of the 13th who offered House Amendment Schedule "A" (LCO 9488) and moved its adoption.

The amendment was discussed by Representatives Delnicki of the 14th, Fishbein of the 90th, Case of the 63rd and Pavalock-D'Amato of the 77th.

On a voice vote the amendment was adopted.

The Speaker ruled the amendment was technical.

The following is House Amendment Schedule "A" (LCO 9488):

Strike everything after the enacting clause and substitute the following in lieu thereof:

"Section 1. (NEW) (Effective from passage) As used in this section and sections 2 to 5, inclusive, of this act:

(1) "Authority" means the Connecticut Housing Finance Authority created under section 8-244 of the general statutes, as amended by this act;
(2) "Bank" means a bank or an out-of-state bank, each as defined in section 36a-2 of the general statutes;
(3) "Captive insurance company" means the captive insurance company established pursuant to section 38a-91vv of the general statutes;
(4) "Credit union" means a Connecticut credit union or a federal credit union, each as defined in section 36a-2 of the general statutes;
(5) "Department" means the Department of Banking;
(6) "Eligible borrower" means the owner and occupant of a residential building who has received a participation agreement from the captive insurance company;
(7) "Eligible financial institution" means a bank or credit union that has a physical presence in this state;
(8) "Participation agreement" means an agreement by the captive insurance company to pay for a portion of the cost to repair or replace a concrete foundation that has deteriorated due to the presence of pyrrhotite;
(9) "Residential building" means (A) a single-family or multifamily residential dwelling, including, but not limited to, (i) a residential unit in a condominium, as such terms are defined or used in section 47-68a of the general statutes, and (ii) a unit that is used for residential purposes and located in a common interest community, as such terms are defined in section 47-202 of the general statutes, and (B) a building containing one or more of the residential dwellings described in subparagraph (A) of this subdivision.

Sec. 2. (NEW) (Effective from passage) (a) The authority shall administer a supplemental collapsing foundation loan program to guarantee the repayment of loans made by an eligible financial institution to an eligible borrower pursuant to sections 1 to 5, inclusive, of this act. Subject to the cessation of new claim approvals under subsection (d) of section 4 of this act, the authority shall submit all processed claims to the Comptroller, who shall pay from the General Fund any and all claims submitted by the authority.

(b) (1) Except as provided in subsection (d) of this section, any eligible financial institution may participate in the loan guarantee program after providing the department and the authority with advance written notice of the eligible financial institution's intention to participate in the program. Such notice shall be in the form and manner prescribed by the department and the authority, and shall include contact information for the eligible financial institution. Nothing in this section shall be construed to preclude an eligible financial institution that has elected to participate in the program from issuing loans to eligible borrowers outside of the loan guarantee program.

(2) An eligible financial institution may suspend its participation in, or withdraw from, the loan guarantee program five business days after providing advance written notice to the
department and the authority specifying the date on which such suspension or withdrawal becomes effective. Such withdrawal or suspension shall not affect the eligible financial institution's ability to submit a guarantee claim on any loan for which the eligible financial institution provided notice to the authority pursuant to subsection (d) of this section prior to the effective date of the withdrawal or suspension.

(3) Not later than September 1, 2019, the department and the authority shall each publish on their Internet web sites a summary of the program and a list of the eligible financial institutions that have elected to participate in the program. The list shall be updated from time to time and shall include the contact information of each participating eligible financial institution. The department shall also provide information concerning the loan guarantee program to mortgage servicers licensed pursuant to section 36a-718 of the general statutes.

(c) (1) The authority may develop, in consultation with representatives from the banking industry, one or more standard promissory note and mortgage deed forms that may be used by eligible financial institutions making loans under the program pursuant to section 3 of this act.

(2) Not later than September 1, 2019, the authority shall develop, in consultation with representatives from the banking industry, (A) reasonable standards an eligible financial institution may rely upon to demonstrate good faith collection efforts described in subsection (a) of section 4 of this act, and (B) a readily accessible communication portal by which participating eligible financial institutions may verify in real time the total dollar amount of loans that have been reported to the authority pursuant to subsection (d) of this section and the total dollar amount of claims submitted to the Comptroller pursuant to subsection (a) of section 4 of this act. The forms and standards developed pursuant to this section shall, to the maximum extent feasible, be closely aligned with existing forms, policies and procedures used by eligible financial institutions participating in the program, but shall not require post-delinquency collection efforts extending beyond ninety days.

(d) Each eligible financial institution that makes a loan pursuant to section 3 of this act, shall notify the authority in writing not later than one business day after making the loan, specifying the amount of the loan and any other information about the borrower and the loan the authority may request. When the total amount of loans reported to the authority reaches twenty million dollars, the authority shall immediately close participation in the program under subsection (a) of this section and notify each eligible financial institution participating in the program. A participating eligible financial institution may condition the availability of any loan commitment on the availability of the loan guarantee program.

Sec. 3. (NEW) (Effective from passage) Each eligible financial institution that is participating in the program may make loans to an eligible borrower, provided:

(1) The eligible borrower demonstrates to the satisfaction of the financial institution that the borrower has a participation agreement with the captive insurance company and requires additional funding to repair or replace a concrete foundation that has deteriorated due to the presence of pyrrhotite.

(2) The loan shall (A) be secured by a mortgage deed on the eligible borrower's residential building, (B) be made in accordance with the eligible financial institution's underwriting policy and standards, (C) be in an amount not to exceed seventy-five thousand dollars, and (D) bear an interest rate that does not exceed the applicable rate of the Federal Home Loan Bank of Boston for Amortizing Advances through the New England Fund program. For the purposes of this subdivision, "applicable rate" means the New England Fund rate that (i) is published on the Internet web site of the Federal Home Loan Bank of Boston as of the date the interest rate is locked-in by the eligible borrower and financial institution, and (ii) has an advance term and amortization schedule that most closely corresponds to the term and amortization schedule of the loan being made by the participating eligible financial institution.

(3) The eligible financial institution may recover up to eight hundred dollars from the eligible borrower for expenses paid by the eligible financial institution to third parties for services related to processing the application and closing the loan, including obtaining a credit report, flood certification, title search, appraisal or other valuation, and any recording fees. Such expenses may be financed as part of the loan subject to the seventy-five-thousand-dollar limit described in subparagraph (C) of subdivision (2) of this subsection or paid separately by the eligible borrower.
(4) The loan agreement shall require the eligible borrower to repay the loan in full not later than twenty years after the date the loan is issued.

(5) The loan proceeds shall be used by the borrower only for eligible repair expenses. For the purposes of this subdivision, "eligible repair expenses" shall be limited to repair or replacement expenses (A) that are necessary to complete the repair or replacement of the foundation, and (B) which are otherwise necessary to restore the functionality and appearance of the property to the extent that the functionality and appearance of the property were compromised by the deterioration of the foundation or the demolition and construction process, including, but not limited to, the repair or replacement of wall framing, drywall, paint and other wall finishes, porches or decks, gutters, landscaping, outbuildings or sheds and swimming pools. "Eligible repair expenses" do not include any costs associated with significant upgrades to the property that are not otherwise included in subparagraphs (A) and (B) of this subdivision. A participating eligible financial institution may decline an application for a loan under the program that includes a request to fund expenses associated with upgrades to the property that may not qualify as eligible repair expenses, but the failure to do so shall not affect the ability of the eligible financial institution to include the loan in the loan guarantee program for the full amount of principal extended to the eligible borrower.

Sec. 4. (NEW) (Effective from passage) (a) An eligible financial institution that has made a good faith effort to collect the outstanding principal from a loan issued pursuant to section 3 of this act may make a claim to the authority for recovery of an amount equal to the outstanding principal for such loan. Except as provided in subsection (d) of this section, if the eligible financial institution demonstrates to the satisfaction of the authority that the eligible financial institution has made a good faith effort to collect the outstanding principal from the eligible borrower in accordance with the financial institution's loan servicing and collection policies, the authority shall process and submit the claim to the Comptroller for payment. Upon payment of a claim by the Comptroller, and as a condition of such payment, (1) the loan shall be assigned to the state, and (2) the authority, as agent for the state, shall have the right to continue collection efforts on the loan. Any amount necessary for payment by the Comptroller to honor loan guarantees under this section shall be deemed appropriated from the General Fund, and any funds collected by the authority in accordance with this subsection shall be deposited to the General Fund.

(b) The authority shall maintain records in the regular course of administration of the loan guarantee program, including a record of loans issued and of payments made to honor loan guarantees issued under this section.

(c) The authority may terminate any loan guarantee if the financial institution misrepresents any information pertaining to the guarantee or fails to comply with any requirements of this section in connection with the guarantee of the underlying loan.

(d) The total amount of claims processed by the authority and paid by the Comptroller to honor loan guarantees under this section shall not exceed two million dollars. When the total amount of claims processed by the authority and paid by the Comptroller reaches two million dollars, the authority shall immediately cease to process claims and shall notify the Comptroller and each eligible financial institution participating in the program that the authority has ceased honoring loan guarantees.

Sec. 5. (NEW) (Effective from passage) The Comptroller, the authority and the department may enter into a memorandum of understanding to carry out the provisions of this act.

Sec. 6. Subsection (a) of section 8-244 of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

Said authority is constituted a public instrumentality and political subdivision of this state and the exercise by the authority of the powers conferred by this chapter and sections 1 to 5, inclusive, of this act, shall be deemed and held to be the performance of an essential public and governmental function. Strike everything after the enacting clause and substitute the following in lieu thereof:
"Section 1. (NEW) (Effective October 1, 2019) (a) For the purposes of this section and section 2 of this act: (1) "Automated traffic enforcement safety device" means a photographic device, radar device, laser device or other electrical or mechanical device designed to record the speed of a motor vehicle and obtain a recorded image of the motor vehicle exceeding the posted speed limit by twelve miles per hour or more in a maintenance work zone and allegedly committing a violation specified in subsection (e) of section 14-219 of the general statutes; (2) "maintenance work zone" means an area of any limited access highway where maintenance work is being performed by the Department of Transportation; and (3) "highway worker" has the same meaning as provided in section 14-212d of the general statutes.

The commissioner may enter into an agreement with a contractor for such installation, operation and maintenance. Such safety devices may only be operational on or after January 1, 2020, provided the commissioner has adopted regulations concerning such safety devices pursuant to section 2 of this act.

(2) Any such automated traffic enforcement safety device shall produce one or more recorded images of the number plate of a motor vehicle exceeding the posted speed limit by twelve miles per hour or more while in a maintenance work zone and allegedly committing a violation specified in subsection (e) of section 14-219 of the general statutes. recorded.

(c) Whenever an automated traffic enforcement safety device detects and produces recorded
images of a motor vehicle exceeding the posted speed limit by twelve miles per hour or more in a
maintenance work zone and allegedly committing a violation specified in subsection (e) of section
14-219 of the general statutes, a sworn member of the Division of State Police within the
Department of Emergency Services and Public Protection shall review the recorded images
provided by such safety device. If, after such review, such member determines that there are

the alleged violation. If such member authorizes the issuance of a citation for the alleged violation,
the Division of State Police shall, not later than ten days after the alleged violation, mail the
citation to the registered owner of the motor vehicle together with a copy of the recorded images.

(e) All defenses shall be available to any person who is alleged to have committed a violation
specified in subsection (e) of section 14-219 of the general statutes that is detected and recorded
by an automated traffic enforcement safety device, including, but not limited to, that (1) the
violation was necessary to allow the passage of an authorized emergency vehicle, (2) the violation
was necessary to avoid injuring the person or property of another, (3) the violation took place
during a period of time in which the motor vehicle had been reported as being stolen to a law
enforcement unit, as defined in section 7-294a of the general statutes, and had not been recovered
prior to the time of the violation, (4) the operator was convicted of committing a violation
specified in subsection (e) of section 14-219 of the general statutes while in a maintenance work
zone for the same incident based upon a separate and distinct summons issued by an officer, (5)
the owner was not operating the motor vehicle at the time of the violation, or (6) the violation was
necessary in order for the operator to comply with any other general statute or regulation
concerning the operation of a motor vehicle.

Sec. 7. (NEW) (Effective October 1, 2019) (a) Any person, including, but not limited to, a state or municipal agency, requesting funds from the state, including, but not limited to, any authority created by the general statutes or any public or special act, with respect to any authority development project shall, at the time it makes such request for funds from the state, present a full and complete copy of its application or request along with any supporting documents or exhibits to the authority for its recommendation and to the Secretary of the Office of Policy and Management. If funds are expended pursuant to this subsection in a manner not consistent with the recommendations contained in an economic development statement for such expenditure, the officer, official, employee or agent of the state expending such funds shall respond in writing to the authority, providing an explanation of the decision with respect to such expenditure.

   (c) The Connecticut Municipal Redevelopment Authority shall coordinate the use of all state, municipal and quasi-public agency planning and financial resources that are made available for

(d) All state agencies, departments, boards, commissions and councils and all quasi-public agencies shall cooperate with the Connecticut Municipal Redevelopment Authority in carrying out the purposes enumerated in section 3 of this act.

Sec. 8. (NEW) (Effective October 1, 2019) (a) The board of directors of the Connecticut Municipal Redevelopment Authority is authorized from time to time to issue its bonds, notes and other obligations in such principal amounts as in the opinion of the board shall be necessary to provide sufficient funds for carrying out the purposes set forth in section 3 of this act, including the payment, funding or refunding of the principal of, or interest or redemption premiums on, any bonds, notes and other obligations issued by it, whether the bonds, notes or other obligations or interest to be funded or refunded have or have not become due, the establishment of reserves to secure such bonds, notes and other obligations, loans made by the authority and all other expenditures of the authority incident to and necessary or convenient to carry out the purposes set forth in section 3 of this act.

(b) Every issue of bonds, notes or other obligations shall be a general obligation of the authority payable out of any moneys or revenues of the authority and subject only to any agreements with the holders of particular bonds, notes or other obligations pledging any particular moneys or revenues. Any such bonds, notes or other obligations may be additionally secured by any grant or contributions from any department, agency or instrumentality of the United States or person or a pledge of any moneys, income or revenues of the authority from any source whatsoever.

(c) Notwithstanding any other provision of any law, any bonds, notes or other obligations issued by the authority pursuant to this section shall be fully negotiable within the meaning and for all purposes of title 42a of the general statutes. Any such bonds, notes or other obligations shall be legal investments for all trust companies, banks, investment companies, savings banks, building and loan associations, executors, administrators, guardians, conservators, trustees and other fiduciaries and pension, profit-sharing and retirement funds.

(d) Bonds, notes or other obligations of the authority shall be authorized by resolution of the board of directors of the authority and may be issued in one or more series and shall bear such date or dates, mature at such time or times, in the case of any such note, or any renewal thereof, not exceeding the term of years as the board shall determine from the date of the original issue of such notes, and, in the case of bonds, not exceeding thirty years from the date thereof, bear interest at such rate or rates, be in such denomination or denominations, be in such form, either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable from such sources in such medium of payment at such place or places within or without this state, and be subject to such terms of redemption, with or without premium, as such resolution or resolutions may provide.

(e) Bonds, notes or other obligations of the authority may be sold at public or private sale at such price or prices as the board shall determine.

(f) Bonds, notes or other obligations of the authority may be refunded and renewed from time to time as may be determined by resolution of the board, provided any such refunding or renewal shall be in conformity with any rights of the holders of such bonds, notes or other obligations.

(g) Except as provided in section 10 of this act, bonds, notes or other obligations of the authority issued under the provisions of this section shall not be deemed to constitute a debt or liability of the state or of any political subdivision thereof other than the authority, or a pledge of the faith and credit of the state or of any such political subdivision other than the authority, and shall not constitute bonds or notes issued or guaranteed by the state within the meaning of section 3-21 of the general statutes, but shall be payable solely from the funds as provided in this section. All such bonds, notes or other obligations shall contain on the face thereof a statement to the effect that, unless otherwise provided by law, neither the state of Connecticut nor any political subdivision thereof other than the authority shall be obligated to pay the same or the interest thereof except from revenues or other funds of the authority and that neither the faith and credit nor the taxing power of the state of Connecticut or of any political subdivision thereof other than the authority is pledged to the payment of the principal of, or the interest on, such bonds, notes or other obligations.
(h) Any resolution or resolutions authorizing the issuance of bonds, notes or other obligations may contain provisions, except as limited by existing agreements with the holders of bonds, notes or other obligations, which shall be a part of the contract with the holders thereof, as to the following: (1) The pledging of all or any part of the moneys received by the authority to secure the payment of the principal of and interest on any bonds, notes or other obligations or of any issue thereof; (2) the pledging of all or part of the assets of the authority to secure the payment of the principal and interest on any bonds, notes or other obligations or of any issue thereof; (3) the establishment of reserves or sinking funds, the making of charges and fees to provide for the same, and the regulation and disposition thereof; (4) limitations on the purpose to which the proceeds of sale of bonds, notes or other obligations may be applied and pledging such proceeds to secure the payment of the bonds, notes or other obligations, or of any issues thereof; (5) limitations on the issuance of additional bonds, notes or other obligations, the terms upon which additional bonds, bond anticipation notes or other obligations may be issued and secured, the refunding or purchase of outstanding bonds, notes or other obligations of the authority; (6) the procedure, if any, by which the terms of any contract with the holders of any bonds, notes or other obligations of the authority may be amended or abrogated, the amount of bonds, notes or other obligations the holders of which must consent thereto and the manner in which such consent may be given; (7) limitations on the amount of moneys to be expended by the authority for operating, administrative or other expenses of the authority; (8) the vesting in a trustee or trustees of such property, rights, powers and duties in trust as the authority may determine, which may include any or all of the rights, powers and duties of any trustee appointed by the holders of any bonds, notes or other obligations and limiting or abrogating the right of the holders of any bonds, notes or other obligations of the authority to appoint a trustee or limiting the rights, powers and duties of such trustee; (9) provision for a trust agreement by and between the authority and a corporate trustee which may be any trust company or bank having the powers of a trust company within or without the state, which agreement may provide for the pledging or assigning of any assets or income from assets to which or in which the authority has any rights or interest, and may further provide for such other rights and remedies exercisable by the trustee as may be proper for the protection of the holders of any bonds, notes or other obligations of the authority and not otherwise in violation of law. Such agreement may provide for the restriction of the rights of any individual holder of bonds, notes or other obligations of the authority. All expenses incurred in carrying out the provisions of such trust agreement may be treated as a part of the cost of operation of the authority. The trust agreement may contain any further provisions which are reasonable to delineate further the respective rights, duties, safeguards, responsibilities and liabilities of the authority, individual and collective holders of bonds, notes and other obligations of the authority and the trustees; (10) covenants to do or refrain from doing such acts and things as may be necessary or convenient or desirable in order to better secure any bonds, notes or other obligations of the authority, or which, in the discretion of the authority, will tend to make any bonds, notes or other obligations to be issued more marketable, notwithstanding that such covenants, acts or things may not be enumerated herein; and (11) any other matters of like or different character, which in any way affect the security or protection of the bonds, notes or other obligations.

(i) Any pledge made by the authority of income, revenues or other property shall be valid and binding from the time the pledge is made. The income, revenue, such state taxes as the authority shall be entitled to receive or other property so pledged and thereafter received by the authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the authority, irrespective of whether such parties have notice thereof.

(j) The board of directors of the authority is authorized and empowered to obtain from any department, agency or instrumentality of the United States any insurance or guarantee as to, or of or for the payment or repayment of, interest or principal or both, or any part thereof, on any bonds, notes or other obligations issued by the authority pursuant to the provisions of this section and, notwithstanding any other provisions of sections 2 to 12, inclusive, of this act, to enter into any agreement, contract or any other instrument whatsoever with respect to any such insurance or guarantee except to the extent that such action would in any way impair or interfere with the
authority's ability to perform and fulfill the terms of any agreement made with the holders of the bonds, bond anticipation notes or other obligations of the authority.

(k) Neither the members of the board of directors of the authority nor any person executing bonds, notes or other obligations of the authority issued pursuant to this section shall be liable personally on such bonds, notes or other obligations or be subject to any personal liability or accountability by reason of the issuance thereof, nor shall any director, officer or employee of the authority be personally liable for damage or injury caused in the performance of such director, officer or employee's duties and within the scope of employment or appointment as such director, officer or employee, provided the conduct of such director, officer or employee was found not to have been wanton, reckless, wilful or malicious. The authority shall protect, save harmless and indemnify its directors, officers or employees from financial loss and expense, including legal fees and costs, if any, arising out of any claim, demand, suit or judgment by reason of alleged negligence or alleged deprivation of any person's civil rights or any other act or omission resulting in damage or injury, if the director, officer or employee is found to have been acting in the discharge of his or her duties or within the scope of his or her employment and such act or omission is found not to have been wanton, reckless, wilful or malicious.

(l) The board of directors of the authority shall have power to purchase bonds, notes or other obligations of the authority out of any funds available for such purpose. The authority may hold, cancel or resell such bonds, notes or other obligations subject to and in accordance with agreements with holders of its bonds, notes and other obligations.

(m) All moneys received pursuant to the authority of this section, whether as proceeds from the sale of bonds or as revenues, shall be deemed to be trust funds to be held and applied solely as provided in this section. Any officer with whom, or any bank or trust company with which, such moneys shall be deposited shall act as trustee of such moneys and shall hold and apply the same for the purposes of section 3 of this act, and the resolution authorizing the bonds of any issue or the trust agreement securing such bonds may provide.

(n) Any holder of bonds, notes or other obligations issued under the provisions of this section, and the trustee or trustees under any trust agreement, except to the extent the rights herein given may be restricted by any resolution authorizing the issuance of or any such trust agreement securing such bonds, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the state or granted under this section or under such resolution or trust agreement and may enforce and compel the performance of all duties required by this section or by such resolution or trust agreement to be performed by the authority or by any officer, employee or agent of the authority, including the fixing, charging and collecting of the rates, rents, fees and charges herein authorized and required by the provisions of such resolution or trust agreement to be fixed, established and collected.

(o) The authority may make representations and agreements for the benefit of the holders of any bonds, notes or other obligations of the state which are necessary or appropriate to ensure the exclusion from gross income for federal income tax purposes of interest on bonds, notes or other obligations of the state from taxation under the Internal Revenue Code of 1986 or any subsequent corresponding internal revenue code of the United States, as amended from time to time, including agreement to pay rebates to the federal government of investment earnings derived from the investment of the proceeds of the bonds, notes or other obligations of the authority. Any such agreement may include: (1) A covenant to pay rebates to the federal government of investment earnings derived from the investment of the proceeds of the bonds, notes or other obligations of the authority; (2) a covenant that the authority will not limit or alter its rebate obligations until its obligations to the holders or owners of such bonds, notes or other obligations are finally met and discharged; and (3) provisions to (A) establish trust and other accounts which may be appropriate to carry out such representations and agreements, (B) retain fiscal agents as depositories for such funds and accounts, and (C) provide that such fiscal agents may act as trustee of such funds and accounts.

Sec. 9. (NEW) (Effective October 1, 2019) The state of Connecticut does hereby pledge to and agree with the holders of any bonds, notes and other obligations issued under section 8 of this act and with those parties who may enter into contracts with the Connecticut Municipal Redevelopment Authority or its successor agency, that the state will not limit or alter the rights hereby vested in the authority or in the holders of any bonds, notes or other obligations of the
authority to which contract assistance is pledged pursuant to this section until such bonds, notes or obligations, together with the interest thereon, are fully met and discharged and such contracts are fully performed on the part of the authority, provided nothing contained herein shall preclude such limitation or alteration if and when adequate provision shall be made by law for the protection of the holders of such bonds, notes and other obligations of the authority or those entering into contracts with the authority. The authority is authorized to include this pledge and undertaking for the state in such bonds, notes and other obligations or contracts.

Sec. 10. (NEW) (Effective October 1, 2019) (a) The state shall protect, save harmless and indemnify the directors, officers and employees of the Connecticut Municipal Redevelopment Authority from financial loss and expenses, including legal fees and costs, if any, arising out of any claim, demand, suit or judgment based upon any alleged act or omission of any such director, officer or employee in connection with, or any other legal challenge to, authority development projects within a Connecticut Municipal Redevelopment Authority development district, provided any such director, officer or employee is found to have been acting in the discharge of such director, officer or employee's duties or within the scope of such director, officer or employee's employment and any such act or omission is found not to have been wanton, reckless, wilful or malicious.

(b) In the event any bond, note or other obligation of the authority cannot be paid by the authority, the state shall assume the liability of and make payment on such debt.

(NEW) (Effective October 1, 2019) (a) For the purposes of this section, "economic development master plan" means (1) a comprehensive economic development plan that is designed to increase the tax base of a municipality, or the combined tax bases of two or more municipalities, as applicable, to a level that will allow the municipality or municipalities to provide an adequate level of municipal services, or (2) a comprehensive economic development plan developed pursuant to section 7-578 of the general statutes.

(b) Prior to execution of a memorandum of agreement between the authority and the chief executive officer of a member municipality, or the chief executive officers of the municipalities constituting a joint member entity, as applicable, establishing a development district, the member municipality or joint member entity shall develop an economic development master plan and submit such plan for the authority's review and approval. Each member municipality or joint member entity shall provide for community and stakeholder input and a public comment process in the development of its economic development master plan, and such plan shall be approved by the legislative body of such member municipality or the legislative bodies of the municipalities constituting such joint member entity, as applicable.

(c) In determining whether to approve an economic development master plan developed under subsection (b) of this section, the authority shall consider whether such plan includes a clear and feasible path toward achieving as many of the purposes of the authority, as set forth in subsection (a) of section 3 of this act, as practical and appropriate in the context of the unique characteristics of a member municipality or the municipalities constituting a joint member entity, as applicable. The authority shall offer support to such municipality or municipalities in creating the economic development master plan, if requested by such municipality or municipalities.

(d) Any authority development project that receives support from the authority shall be consistent with (1) the economic development master plan of the member municipality, or the municipalities constituting the joint member entity, as applicable, in which such project is located, (2) the plan of conservation and development, adopted under section 8-23 of the general statutes, of each such municipality, and (3) the Comprehensive Economic Development Strategy prepared under section 32-742 of the general statutes.
