After the last section, add the following and renumber sections and internal references accordingly:

"Sec. 501. (NEW) (Effective October 1, 2019) (a) As used in this section:

(1) "Direct-to-consumer genetic testing company" means a company that sells a genetic test directly to the consumer without requiring the involvement of any health care provider;

(2) "Health carrier" means an insurance company, health care center, hospital service corporation, medical service corporation, fraternal benefit society or other entity that delivers, issues for delivery, renews, amends or continues a health care plan in this state; and
(3) "Life insurance company" means a company engaged in writing policies or annuities the premiums on which are charged wholly or chiefly on the basis of tables purporting to represent the mortality of insured lives or of annuitants.

(b) No direct-to-consumer genetic testing company shall share any personally identifiable genetic data or other personally identifiable information concerning a person with any health carrier or life insurance company without the person's consent.

(c) Any direct-to-consumer genetic testing company that violates any provision of subsection (b) of this section shall be subject to a civil penalty of not more than one thousand dollars per violation.

Sec. 502. Section 20-34 of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2019):

(a) The practice of naturopathy means the science, art and practice of healing by natural methods as recognized by the Council of Naturopathic Medical Education and that comprises diagnosis, prevention and treatment of disease and health optimization by stimulation and support of the body's natural healing processes, as approved by the State Board of Naturopathic Examiners, with the consent of the Commissioner of Public Health, and shall include: (1) [counseling] Counseling; (2) the practice of (A) the [mechanical and material] physical sciences of healing as follows: [The mechanical sciences such as mechanotherapy, articular] Articular manipulation, [corrective and orthopedic gymnastics,] physiotherapy, hydrotherapy, electrotherapy and phototherapy; [and the material] (B) the sciences, [such as] including, but not limited to, nutrition, dietetics, phytotherapy, treatment by natural substances and external applications; (3) ordering diagnostic tests and other diagnostic procedures as such tests and procedures relate to the practice of [mechanical and material] physical sciences of healing as described in subparagraph (A) of subdivision (2) of this subsection; (4) ordering medical devices and durable medical equipment; and (5) removing ear
wax, spirometry, tuberculosis testing; and (C) venipuncture for blood testing.

(b) (1) For purposes of subsection (a) of this section, "natural substances" means substances that (A) are not narcotic substances, as defined in subdivision (30) of section 21a-240, (B) do not require the written or oral prescription of a licensed practitioner to be dispensed, and (C) are only administered orally.

(2) The Department of Public Health, in consultation with the State Board of Naturopathic Examiners established pursuant to section 20-35, may (A) establish educational and examination requirements or other qualifications to permit a naturopathic physician to prescribe, dispense and administer prescription medicines, except any opioid drugs, as defined in section 20-14o, consistent with his or her scope of practice, and (B) establish a naturopathic formulary of prescription medicines, which shall not include any opioid drugs, as defined in said section, that a naturopathic physician who meets such educational and examination requirements or other qualifications may use consistent with his or her practice and training. At least triennially, the Department of Public Health, in consultation with the State Board of Naturopathic Examiners, shall update any naturopathic formulary of prescription medicines established under this subdivision."

This act shall take effect as follows and shall amend the following sections:
