Dear Environment Committee Members,

I'm writing in support of House Bill 5104, banning trophy hunting of elephants, lions, leopards, giraffes and rhinos.

These amazing animals need to be protected, not hunted. For humans to be killing endangered or threatened species is immoral and disgraceful. Please stand with the majority of CT residents who want to save these animals from being cruelly slaughtered and stop them from becoming extinct.

This is very important to me, and I am in favor of all laws that protect animals and the environment.

Please stand up for the animals and for what is right.

Thank you.

Sincerely,

Heidi Ascher
