

To whom it may concern,

My name is Emily Rossi, I live in Wallingford CT, and I am in support of HB 5104. Trophy hunting is cruel, and there is no reason to kill these beautiful animals. Even worse, animals that are targeted by trophy hunters could face extinction if such activities are allowed to continue. Trophy hunting is also disruptive to the ecosystem, and permitting trophy hunting will not make matters any better. The state of Connecticut has a responsibility to uphold justice and ethical practices. The animals and the planet deserve to be protected. Please, pass HB 5104 into law.

Thank you,

Emily Rossi
