Testimony in OPPOSITION to PROPOSED HB 5040
An Act Establishing an Excise Tax on Ammunition

February 27, 2020 ~ Honorable Co-Chairs Senator Fonfara and Representative Rojas, Ranking Members Senator Witkos and Representative Davis, and members of the Finance Revenue and Bonding Committee:

I write in opposition to the concept proposed in this not yet fully drafted bill. I view it as just another attempt to slowly chip away at the rights of all US citizens to keep and bear arms as provided in the Second Amendment to The Constitution of the United States. In this particular case by increasing taxes to purchasers of ammunition.

Thank you for opportunity to express my views and honoring my right to do so.
