My name is Mary Carlson. I live in Stratford, Connecticut and I oppose HB 5040. An Act Establishing an excise Tax on Ammunition. Please oppose this bill that will affect all gun owners across the state. Law abiding citizens will be hurt by this tax. We do not need it! Stop trying to make it hard for law abiding citizens to defend their God given right to protect themselves and their loved ones. This will also affect those who shoot for sport! We the citizens of Connecticut do not need to be taxed anymore.

Thank you.
