Hello.

I oppose HB 5040 AN ACT ESTABLISHING AN EXCISE TAX ON AMMUNITION.

Making ammunition substantially more expensive limits our ability to exercise our Constitutional rights. It also makes self-defense nearly impossible for the poor and lower middle class who simply will not be able to afford a reliable self-defense firearm and the ammunition required for practice to become competent with it. I am not comfortable with discriminating against people because of their below-average income. Do they not deserve their inalienable right to life?

Thank you.
