Testimony in Support of HB-5040

Dear Members of the Finance Committee,

Thank you for taking the time to read and enter this letter into the record that I support HB-5040. As a CT resident and someone who is well aware of the fallout from gun violence in our state, I wholeheartedly feel this bill is vitally important.

The toll gun violence takes in our state on a day to day business is something that needs to be addressed at the most basic levels and that includes funding these many organizations like MUAV, Project Longevity, CT VIP and so on, that have boots on the ground and are in the neighborhoods that need help the most and get the least amount of funding.

I urge you to support and pass this bill.

Sincerely,

Lisa Freund
