OPPOSE H.B. 5040 AN ACT ESTABLISHING AN EXCISE TAX ON AMMUNITION

I am strongly opposed to H. B. 5040. This proposal is unconscionable. In the name of “Gun Safety” you are proposing to make it more difficult for people to remain proficient with firearms. Marksmanship is a skill that needs recurrent and consistent practice and training. This proposal makes practicing less likely and will do NOTHING to limit a criminal’s ability to commit crimes. Criminals are not permit holders and cannot purchase ammunition in retail stores.
