Esteemed Members of the Finance, Revenue and Bonding Committee,

OPPOSE H.B. 5040 AN ACT ESTABLISHING AN EXCISE TAX ON AMMUNITION

Lower income people will be disproportionately affected by this tax. If you support this bill you will be saying it is OK for the wealthy people in our state to own guns and to stay proficient, but lower income people should remain unskilled and risk their self-protection. Think about that, you are telling them their protection is not as important as rich people. Oppose H.B. 5040.
