Dear Officials,

Please oppose HB 5040. This is a tax on law abiding citizens. Like any other tax like this you will collect zero dollars. Instead of wasting time on bills like this support the police. Give them the tools they need to fight crime in the inner city. “Stop and Frisk” works. They know who the gang members are. Check them.

Taxes should be a flat rate. Instead the government uses them as a weapon.

Very sad.

Thanks,
