Dear Senators Moore and Logan, Representatives Abercrombie, Case and other members of the Human Services Committee. I write in opposition to Raised Bill No. 274, An Act Concerning Funding for Planned Parenthood And Other Planning Clinics.

Increasing funds to an organization that kills unborn babies is unethical. While that alone should be reason enough to vote down this bill, our state has budgetary concerns. Is paying to have babies killed a good use of our money?

Please do not support this bill.

Sincerely,
