

Dear Distinguished Chairs and Members of the CT Human Services Committee,

Please oppose SB 274, because as your constituent and tax payer, I am not happy to see my tax payer dollar to fund the killing of children inside their mother's womb. When I was a young man, I have done this crime on my two unborn kids and I am living with the guilt day in and day out. I don't want others to go through similar excruciating experience. Above all, our hard earned dollar is being spent on the destruction of human life under a disguise of "choice". Please stop it.

With respect,

Thank you.
