

Dear Members of the Human Services Committee,

I am writing in opposition to SB274, an act to provide taxpayer funding to Planned Parenthood.

As a pro life CT resident, I do not wish my tax dollars to go towards the killing of unborn children. Planned Parenthood is a for profit organization and has declined federal funding by refusing to comply with a stipulation. They should not be getting free monies from our state now. The citizens and tax payers do not want or need to be funding an organization that insists on killing our smallest humans.

Please OPPOSE SB274.
