

Thank you to Governor Lamont and elected leaders for supporting family planning funding in the budget and continuing our state's strong commitment to protecting and improving women's health care.

I strongly support raised S.B. 274 and urge the committee and legislature to vote favorably to support funding for family planning providers, including Planned Parenthood of Southern New England, and protect access to sexual and reproductive health care for those most in need in our state.

Thank you for your time,

Mimi Hodgkins
