Testimony for SB 274 - IN OPPOSITION AAC funding for Planned Parenthood.

Dear Chairmen, Vice Chairmen, Ranking Members and Members of the Human Services Committee,

I am one of many taxpayers of CT against, SB 274 for our taxes or any of our monies to fund Planned Parenthood; it is very disconcerting that Governor Ned Lamont has put this forth to fund this entity which has the title of planning parenthood -- yet is an abortion agency-- killing fetuses.

We are newly aware of the nefarious actions of Planned Parenthood creeping even more into our public school systems to promote sexualization of our _K- 4 children in the schools.

CTRA principles include standing for the right to life.

Please Oppose SB 274.

God Bless,

Anne Manusky
First Vice President, CTRA
